MEMORANDUM FOR: National Weather Service Directives System (NDS)  
Customers

FROM: W/WR Robert Tibi, Western Region Director /s/

SUBJECT: Rescission of 06-2003, Weather Event Simulator  
Implementation and Operations Policy – Western Region

The following document is rescinded from the NDS.

NDS Title: Weather Event Simulator Implementation and Operations Policy – Western  
Region

NDS Number: NWSPD 20-101, NWSI 20-101, Supplement 06-2003

Effective Date: March 17, 2003

Signature Date: March 3, 2003

Certified By: W/WR3 Andy Edman

Approving Authority: W/WR3 Andy Edman

Summary: This supplement was produced as Western Region guidance for the initial deployment of the Weather Event Simulator (WES). The WES has undergone a handful of changes since its inauguration and is now supported by the Warning Decision Training Branch. Hence, this Western Region supplement is no longer required.
