JUL - 9 2009

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Neal DiPasquale *Neal DiPasquale*
Acting Director, Field Systems Operations Center

SUBJECT: Certification of NDS Instruction 30-301, *System Test Process*,
Dated January 11, 2007

The Office of Operational Systems, Field Systems Operations Center, Test and Evaluation Branch reviewed National Weather Service Procedural Directive 30-301, *System Test Process*, and certifies it is current and requires no updating during its FY 2009 biennial review cycle.

Responsibility for the directive is currently held by:

OPR: Jerald Dinges, W/OPS24

Certifier: Neal DiPasquale, W/OPS2

Approving Authority: Mark S. Paese, Director, Office of Operational Systems
