

# NWS SKYWARN TRAINING

NC Cooperative Extension Office  
730 N. Granville St, Edenton, NC  
April 1, 2015 12:00 p.m.

The "Basic SKYWARN" class covers all the background information needed to become a trained severe weather spotter. The class is free of charge and lasts about 2 hours. All materials are provided. Once trained, spotters play an important role in providing the National Weather Service with vital weather information when severe weather occurs. Contact Mike Montefusco at [Michael.montefusco@noaa.gov](mailto:Michael.montefusco@noaa.gov) or Scott Minnick at [scott.minnick@noaa.gov](mailto:scott.minnick@noaa.gov) for more information.
