National Weather Service Amarillo

What We'll Give You

US National Weather Service
Amarillo Texas

Like This Page · April 11

We received this photo from earlier this evening showing just how deep the hail was in northern Potter County. If you all have any hail images feel free to post here!

What We Want from You

- Likes, shares, and re-tweets! Lots of them!!
- Weather Reports
 - When, where, what?
 - **PICTURES!!** (why tell us when you can show us?)
 - Tweet it with the #PHwx hashtag and/or post to our FB page
 - Pictures *personalize* the threat for Panhandle residents

What NWS Social Media is Not

- A Place to Get Warnings
 - Maybe someday...but not yet
- A place to request a briefing
- A place for official requests (Civil Emergency Messages, etc)

#PHwx

- What does it mean?
 - PH=Panhandle wx=weather
- What can you do with it?
 - Search it via twitter
 - Embed the stream to a webpage
 - Follow severe weather event reports real-time
 - Quickly view all Panhandle weather-specific tweets

#PHwx
