

Come see us at the Colorado Farm Show in Greeley!

The show is Tuesday through Thursday at Island Grove Regional Park in Greeley. We'll have information on weather safety, current snowpack and the spring weather outlook, how to get weather and climate information, and a look at how the weather of 2015 fits into global climate projections. We're also looking for volunteers to help us observe the weather where you are!

Show hours are 9-5 Tuesday and Wednesday, and 9-4 Thursday. We're in the back part of the exhibition building. Admission is free, but there is a small parking fee. For more information on the show and directions, visit:
