

# Weather Education Resources for Parents & Teachers

Games, informative topics, burning questions, career options, and much more!!

[scijinks.gov](http://scijinks.gov)

## Severe Weather 101

[www.nssl.noaa.gov/education/srvwx101/](http://www.nssl.noaa.gov/education/srvwx101/)

## National Weather Service Publications and Brochures:

[www.weather.gov/owlie/publication\\_brochures](http://www.weather.gov/owlie/publication_brochures)

## University Corporation for Atmospheric Research (UCAR)

### Teachers

Learn more about weather, the atmosphere, climate, and sun/space weather and access classroom activities and simulations that you can use to enhance your students' learning experience.

[scied.ucar.edu/educators](http://scied.ucar.edu/educators)

### Kids' Crossing

Learn about the water cycle, what to do during severe weather, how to make science happen, and play games on this interactive website!

[eo.ucar.edu/kids/](http://eo.ucar.edu/kids/)

Explore topics such as clouds, thunderstorms, tornadoes, hurricanes, and winter storms along with extensive activities and lessons for children of all ages!

[scied.ucar.edu/webweather](http://scied.ucar.edu/webweather)

Sign up to schedule a session about flood safety, drought mitigation, and the science behind river and flood forecasts.
