

National Weather Service Wilmington, NC

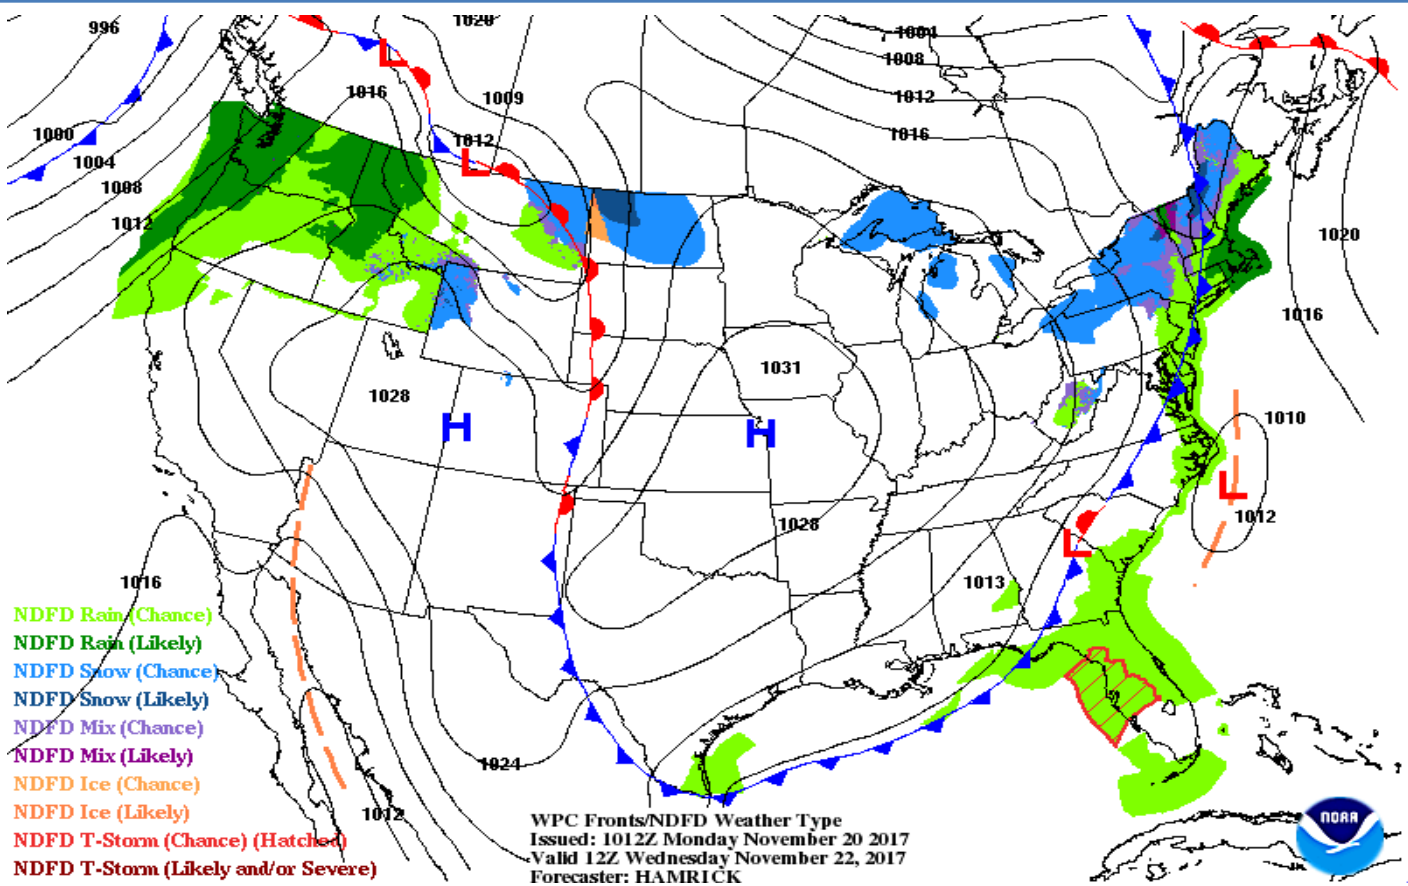

Outlook Period: 11/20/17-11/24/17
Time Issued: 930 AM 11/20/17

Prepared by: Stephen Keebler

Quiet Weather Through the Week

Overview: Overall expect a relatively quiet week of weather. A system well off the coast may bring a few showers to the area late Tuesday and Wednesday. Temperatures will be seasonable through Wednesday cooling off somewhat by the end of the week. Below is the forecast map for Wednesday morning.

Impacts: No significant weather impacts are expected.
