Storm Data and Unusual Weather Phenomena

August 2006

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Number of Persons		Estimated Damage		Character of Storm
					Killed	Injured	Property	Crops	

OHIO, Southwest

2148EST

Two trees were downed in Shawnee State Park.

Hocking County

Logan	07	1555EST 1559EST			0	0	3K		Thunderstorm Wind (EG50)
--------------	-----------	----------------------------	--	--	----------	----------	-----------	--	---------------------------------

A few trees were knocked down across the northern part of the county.

Pickaway County

6 SSE Circleville	28	1722EST 1726EST	1.5	50	0	0	250K	10K	Tornado (F0)
--------------------------	-----------	----------------------------	------------	-----------	----------	----------	-------------	------------	---------------------

A tornado touched down along State Route 361, causing damage to three buildings at the Pickaway Machine and Fabricating Company. Portions of the aluminum roofing and insulation were removed from these three buildings, and deposited throughout the complex and in a cornfield across Route 361. Corn stalks at six to eight feet in height were knocked over in a 150 foot wide swath across this cornfield, extending for a mile to the northeast to Boggs Road. Across Boggs Road, minor tree and limb damage occurred, with part of an open air aluminum shed being blown into a nearby tree line.

Pickaway County

2 SW Tarlton	28	1742EST 1743EST	0.1	10	0	0	1K		Tornado (F0)
---------------------	-----------	----------------------------	------------	-----------	----------	----------	-----------	--	---------------------

A tornado briefly touched down along State Route 159.

Franklin County

3 NE Grove City	28	1810EST 1811EST	0.1	10	0	0	1K		Tornado (F0)
------------------------	-----------	----------------------------	------------	-----------	----------	----------	-----------	--	---------------------

A tornado briefly touched down near the intersection of US Route 23 and Interstate 270 on the south side of the Columbus metro area.

Franklin County

3 S Bexley	28	1828EST 1829EST	0.1	10	0	0	1K		Tornado (F0)
-------------------	-----------	----------------------------	------------	-----------	----------	----------	-----------	--	---------------------

A tornado briefly touched down near the intersection of State Route 104 and US Route 33.

Mercer County

2 SW St Henry to 1 SW St Henry	28	2020EST 2024EST	0.8	60	0	0	20K	20K	Tornado (F0)
---	-----------	----------------------------	------------	-----------	----------	----------	------------	------------	---------------------

A tornado touched down southwest of St. Henry. A house sustained some minor damage to the roof tiles. Tree branches were downed in the area, and a swath of corn and bean crops was knocked down.

Auglaize County

New Knoxville	28	2100EST 2103EST	0.8	300	0	0	100K		Tornado (F0)
----------------------	-----------	----------------------------	------------	------------	----------	----------	-------------	--	---------------------

A tornado moved through portions of New Knoxville. Minor damage occurred to numerous homes, and several trees were knocked down along the path of the tornado. Some of the debris was deposited on a runway at Neil Armstrong Airport
