#### OHZ034-043>046-056 Mercer - Shelby - Logan - Union - Delaware - Licking

13		2000EST 2350EST			0	0			Flood
----	--	--------------------	--	--	---	---	--	--	-------

A line of severe thunderstorms moved across west central and central portions of Ohio during the evening. The storms produced torrential rainfall, with many locations receiving between two and three inches. The heavy rain caused a large number of roads to flood. Several homes sustained basement flooding near Bellefontaine, with one home needing to be evacuated

#### Logan County

Huntsville	13	2030EST 2034EST			0	0	7K		Thunderstorm Wind (EG50)
------------	----	--------------------	--	--	---	---	----	--	--------------------------

A barn sustained roof damage and a trailer was pushed off of its foundation. Several trees were also knocked down

#### Highland County

East Monroe	13	2205EST 2208EST			0	0	5K		Thunderstorm Wind (EG50)
-------------	----	--------------------	--	--	---	---	----	--	--------------------------

A portion of the roof of a barn was peeled off. Numerous trees were downed.

#### Licking County

## Storm Data and Unusual Weather Phenomena

June 2004

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Number of Persons Killed	Number of Persons Injured	Estimated Damage Property	Estimated Damage Crops	Character of Storm
----------	------	----------------------------	---------------------------	--------------------------	--------------------------------	---------------------------------	---------------------------------	------------------------------	--------------------

### OHIO, Southwest

**OHZ042>046-046-051-055>056-081**      **Darke - Shelby - Logan - Union - Delaware - Miami - Franklin - Licking - Adams**

15	1310EST 1800EST				0	0			<b>Flood</b>
----	--------------------	--	--	--	---	---	--	--	--------------

Slow moving thunderstorms developed ahead of a nearly stationary frontal boundary across west central and central Ohio. Many locations received two to four inches of rain north of Interstate 70, causing numerous roads to flood and creeks to rise out of their banks. Basement flooding occurred in homes in Versailles in Darke County and in Johnstown in Licking County

**Darke County**  
5 N Greenville

15	1330EST 1333EST				0	0	3K		<b>Thunderstorm Wind (EG50)</b>
----	--------------------	--	--	--	---	---	----	--	---------------------------------

Six power poles were knocked down.

**Darke County**  
New Madison to  
Greenville

15	1330EST 1600EST				0	0			<b>Flash Flood</b>
----	--------------------	--	--	--	---	---	--	--	--------------------

Several roads were flooded and impassable.

**Delaware County**  
Countywide

15	1350EST 1358EST				0	0	5K		<b>Thunderstorm Wind (EG50)</b>
----	--------------------	--	--	--	---	---	----	--	---------------------------------

Several trees were downed.

**Delaware County**  
6 SW Delaware to  
2 N Delaware

15	1350EST 1600EST				0	0	250K		<b>Flash Flood</b>
----	--------------------	--	--	--	---	---	------	--	--------------------

As much as five inches of rain caused severe flooding in and around Delaware. 154 homes were damaged, many in subdivisions along State Route 257 northwest of Powell. 34 mobile homes in the Shroyers Mobile Home Park just north of Delaware sustained damage when the Olentangy River rose out of its banks, and forced a few evacuations. Numerous roads and bridges were damaged by high water and culvert washouts.

**Pike County**  
5 W Latham

15	1455EST 1515EST				0	0			<b>Flash Flood</b>
----	--------------------	--	--	--	---	---	--	--	--------------------

Bell Hollow Road was flooded and closed.

**Clark County**  
North Hampton

15	1500EST 1503EST				0	0	3K		<b>Thunderstorm Wind (EG50)</b>
----	--------------------	--	--	--	---	---	----	--	---------------------------------

Numerous trees were knocked down.

**Darke County**  
Gettysburg

15	1615EST 1745EST				0	0			<b>Flash Flood</b>
----	--------------------	--	--	--	---	---	--	--	--------------------

Roads were flooded and closed.

**Madison County**  
5 W Mt Sterling

15	1639EST 1643EST				0	0	3K		<b>Thunderstorm Wind (EG50)</b>
----	--------------------	--	--	--	---	---	----	--	---------------------------------

Power poles were downed.

**Hocking County**  
Logan

17	1820EST 1823EST				0	0	2K		<b>Thunderstorm Wind (EG50)</b>
----	--------------------	--	--	--	---	---	----	--	---------------------------------

Two trees were knocked down.

**OHZ034-043-065**      **Mercer - Shelby - Fairfield**

17	1825EST 2000EST				0	0			<b>Flood</b>
----	--------------------	--	--	--	---	---	--	--	--------------

Isolated thunderstorms producing heavy rain affected portions of central and west central Ohio during the evening. One to two inches fell, causing high water on several roads.
