----------	------	----------------------------	---------------------------	--------------------------	--------------------------------	---------	---------------------------------	-------	--------------------

OHIO, Southwest

Delaware County

Galena to Sunbury	23	0250EST 0300EST			0	0	4K		Thunderstorm Wind (EG50)
--------------------------	----	--------------------	--	--	---	---	----	--	---------------------------------

Powerlines and a transformer were blown down.

OHZ045

Union	23	0600EST 0630EST			0	0			Flood
--------------	----	--------------------	--	--	---	---	--	--	--------------

Thunderstorms produced heavy rain across Union County during the early morning. Several roads were flooded in Marysville.

Clermont County

Chilo	23	1745EST 1749EST			0	0	3K		Thunderstorm Wind (EG50)
--------------	----	--------------------	--	--	---	---	----	--	---------------------------------

Several trees were downed.

OHZ055

Franklin	29	0630EST 0640EST			0	0	3K		Strong Wind (EG43)
-----------------	----	--------------------	--	--	---	---	----	--	---------------------------

Winds gusted to between 40 and 50 mph across the Columbus metro area as a strong cold front passed through the area. The strong winds caused several trees to fall from near downtown into the southeast suburbs.
