

Winter Weather Preparedness

Snow and Ice

- **Minor accumulations of snow and ice can be just as dangerous for motorists as major storms!**
- **Illinois averages nearly 28,000 vehicle crashes each year on snow or ice covered roads, resulting in 4,300 injuries and nearly 50 deaths**
- **Illinois experiences at least 5 severe winter storms each year**
- **There has not been a winter in Illinois without at least two winter storms in the past 100 years!**

Winter Weather Preparedness

Snow and Ice

Illinois Winters often result in storms with a mix of freezing rain, sleet and snow

How The Different Types Of Winter Precipitation Form
