4/19/1965 – A severe thunderstorm produced large hail stones up to 2.75 inches (baseball sized).

3/6/2008 – A severe thunderstorm dropped quarter sized hail in Destrehan causing \$15 thousand in damage, mainly to cars.

**St. Charles Parish Severe Wind Events
1/1950 - 7/2009**

**St. Charles Parish Severe Wind Events
1/1950 - 7/2009**

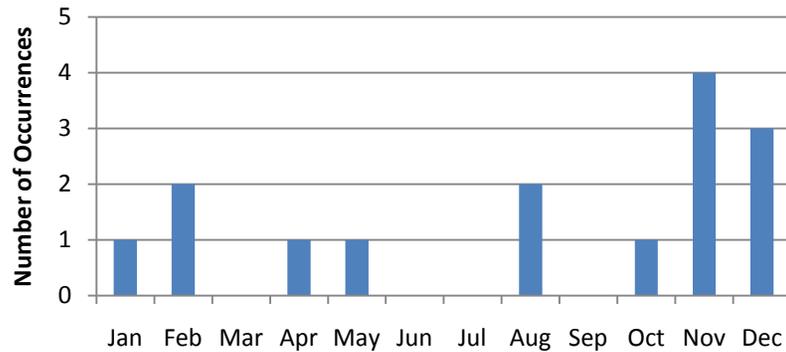

Total number of wind events: 80
 Highest wind speed in database: 80 kts (92 mph, 11/13/1957)
 Costliest wind event in database: \$75K (12/9/2004)

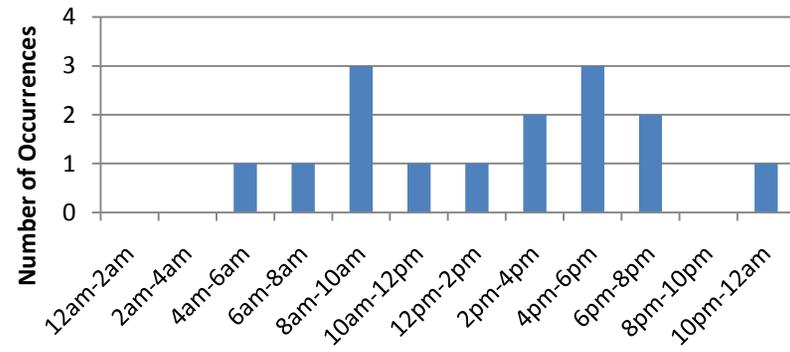

12/9/2004 – A severe thunderstorm produced high winds that downed power lines and large tree limbs, causing \$75 thousand in damage. Most of the damage was around the Destrehan.

6/6/2001 – As the remnants of Tropical Storm Allison remained over Texas, rain bands on the eastern periphery of the circulation produced wind damage in Southeast Louisiana. Several trees were blown down in St. Charles parish, including one tree that fell on and caused minor damage to a house in Luling.

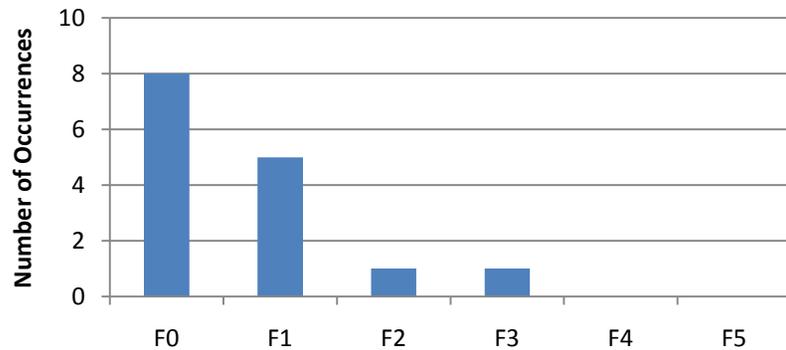

**St. Charles Parish Tornadoes
1/1950 - 7/2009**

**St. Charles Parish Tornadoes
1/1950 - 7/2009**

**St. Charles Parish Tornadoes
1/1950 - 7/2009**

4/13/1980 – A severe thunderstorm produced a tornado that initially touched down west of Norco. The tornado proceeded to move northeast leaving a four mile long damage path in its wake. At its widest point the tornado was about 100 feet wide. While no one was killed during the tornado, it did injure 2 people. The tornado caused \$250 thousand in damage and was rated an F2.

12/13/1993 – A northeast-southwest line of thunderstorms produced a small tornado which initially touched down around 4pm in Luling. The tornado crossed the Mississippi River and dissipated near Destrehan. The F1 tornado caused approximately \$500 thousand in damage along its roughly 1.25 mile path. It damaged 7 single family homes and destroyed or badly damaged 5 mobile homes and 1 business. The majority of the damage was located in the Luling area. Luckily there were no deaths associated with this tornado, but one man was injured when two book cases in his mobile home fell on top of him.
