

SKYWARN Advisory Committee

1. Members of the Committee

The SKYWARN Advisory Committee is made up of District Coordinators representing each of ten (10) districts that make up the county warning area (CWA) of the National Weather Service Forecast Office, Memphis, Tennessee

2. Selection of Committee Members

Members of the SKYWARN Advisory Committee are selected by the NWS SKYWARN Program Manager, in consultation with the SKYWARN Amateur Radio Operations Coordinator. District Coordinators are chosen so as to provide equal representation of all areas within the Memphis CWA. To help achieve this goal, the CWA is divided into ten districts, with one Advisory Committee member selected to represent each district.

3. Delineation of SKYWARN Districts

The ten SKYWARN districts are delineated as follows:

District 1: Randolph, Lawrence, Clay, Greene, Craighead, Poinsett counties in Arkansas.

District 2: Dunklin, Pemiscot counties in Missouri; Mississippi County Arkansas.

District 3: Cross, Crittenden, St. Francis, Lee, Phillips counties in Arkansas.

District 4: Desoto, Marshall, Tunica, Tate counties in Mississippi.

District 5: Coahoma, Quitman, Panola, Lafayette, Tallahatchie, Yalobusha counties in Mississippi.

District 6: Pontotoc, Lee, Itawamba, Calhoun, Chickasaw, and Monroe counties in Mississippi.

District 7: Benton, Tippah, Alcorn, Tishomingo, Prentiss, Union counties in Mississippi.

District 8: Madison, Henderson, Chester, Hardeman, McNairy, Hardin in Tennessee.

District 9: Tipton, Haywood, Fayette counties in Tennessee,

District 10: Obion, Weakley, Henry, Gibson, Carroll, Crockett, Lake, Dyer and Lauderdale counties in Tennessee.
