
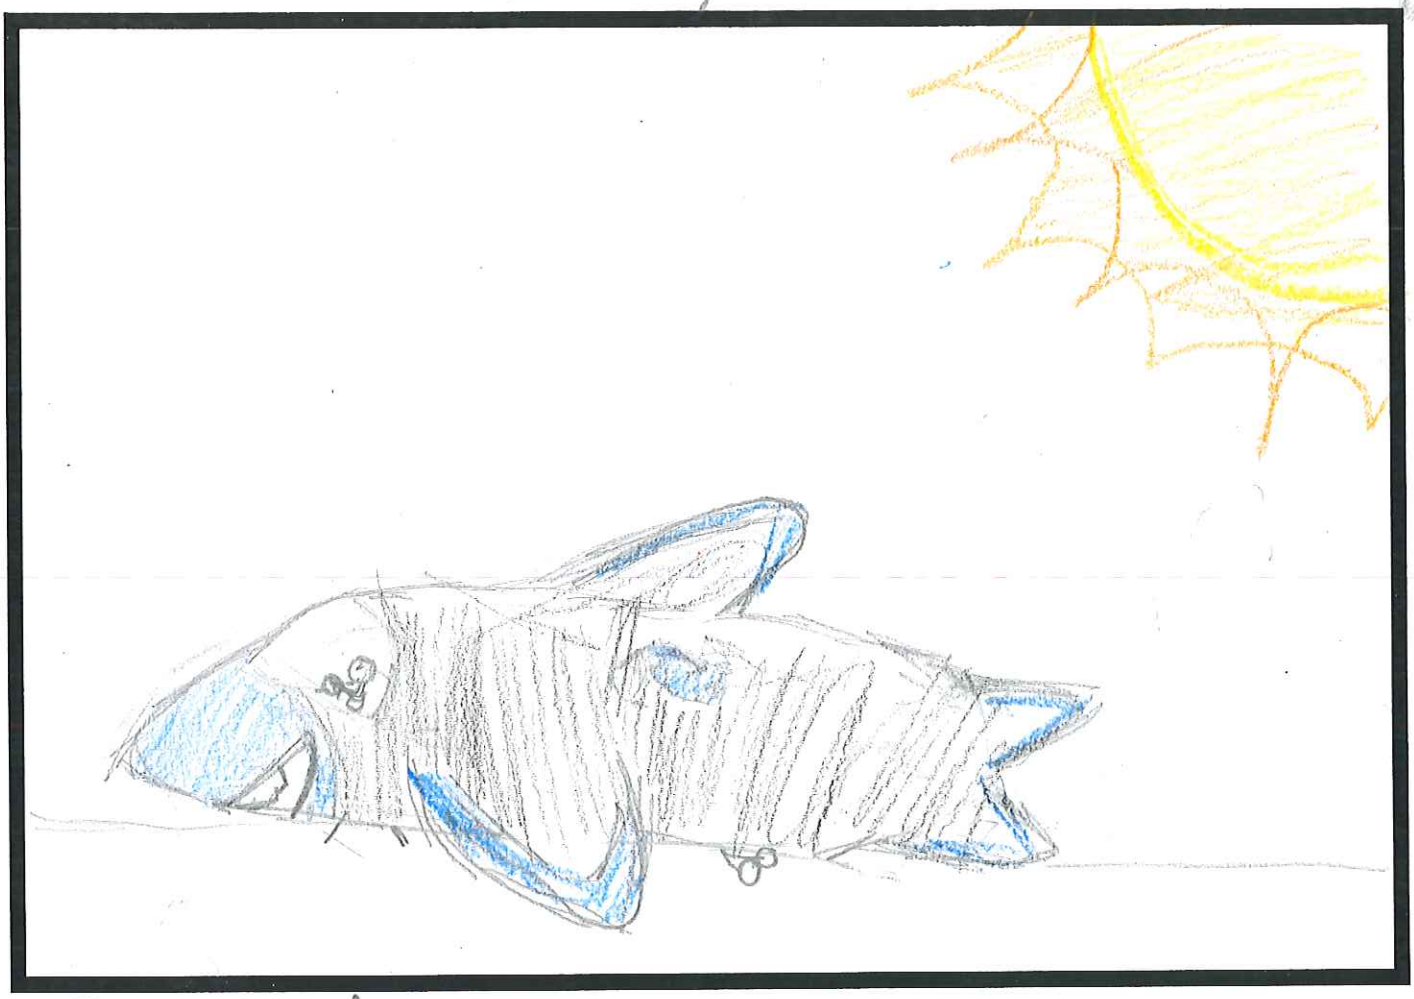
Dear Ms. Corder,

Thank you for showing us very cool things at the FAA Center. The most awesome thing to me was The Hurricane Hunter. I think it was cool because it has this thing on the bottom that shoots these two things out of it. One of them shows the temperature until it hits the water and the other one goes in the water and I think it tells water temperature. Thats why I like The Hurricane Hunter.

Sincerely, David

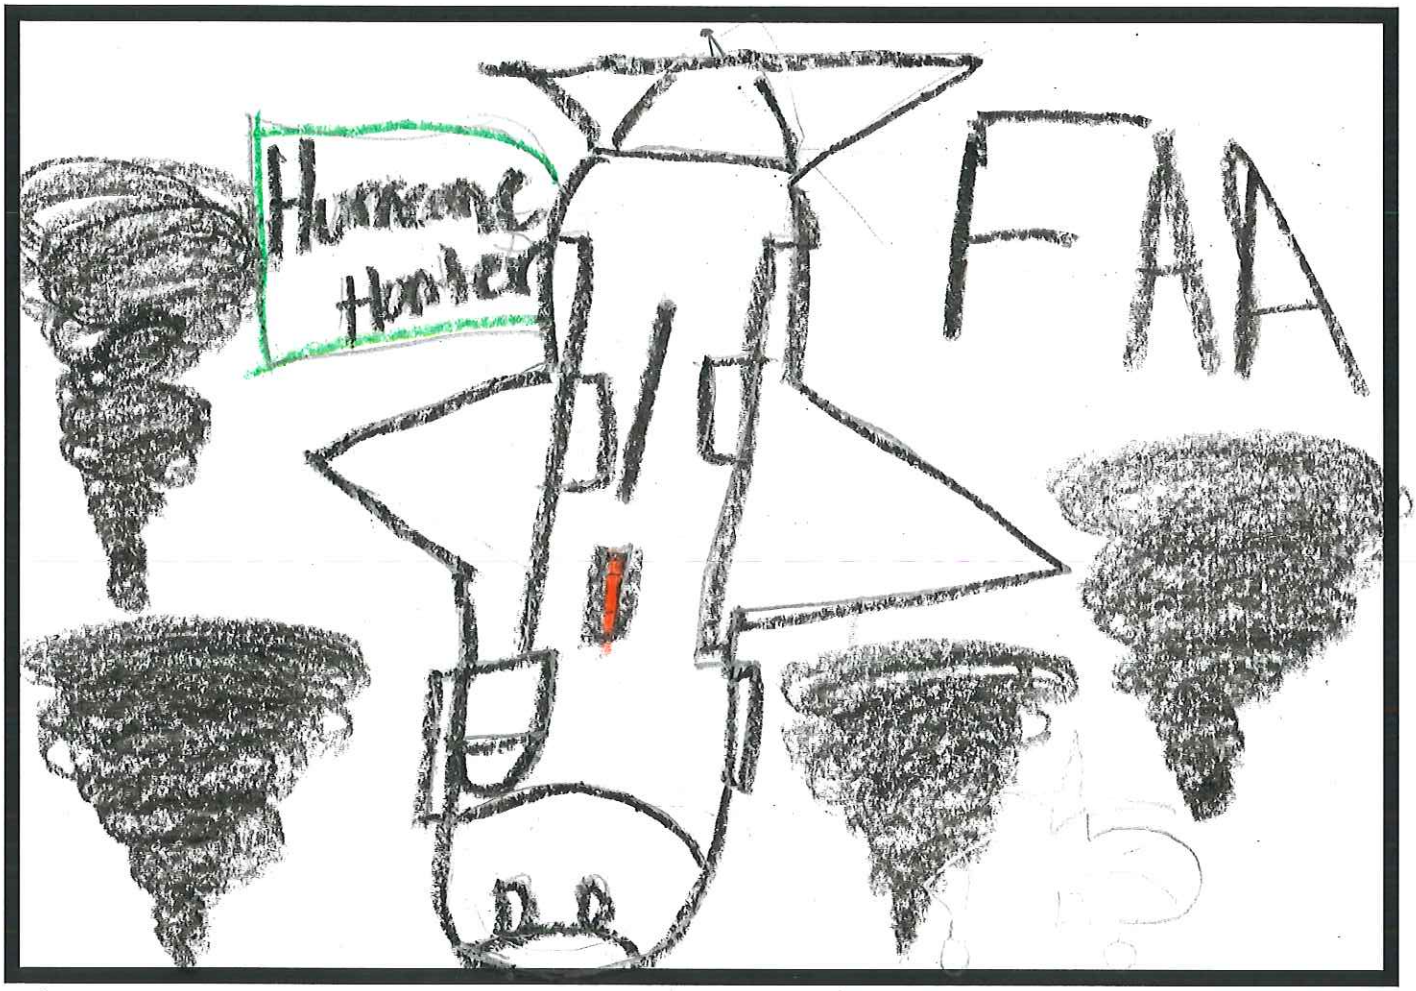
Mackey



Dear Ms. Corder,

Thank you for having me to the FM Center! I experienced so much fascinating things that I never knew! I am so thankful for all gifts and time of your schedule! Your presentation was so cool! The Hurricane Hunter is so cool thank you so much!

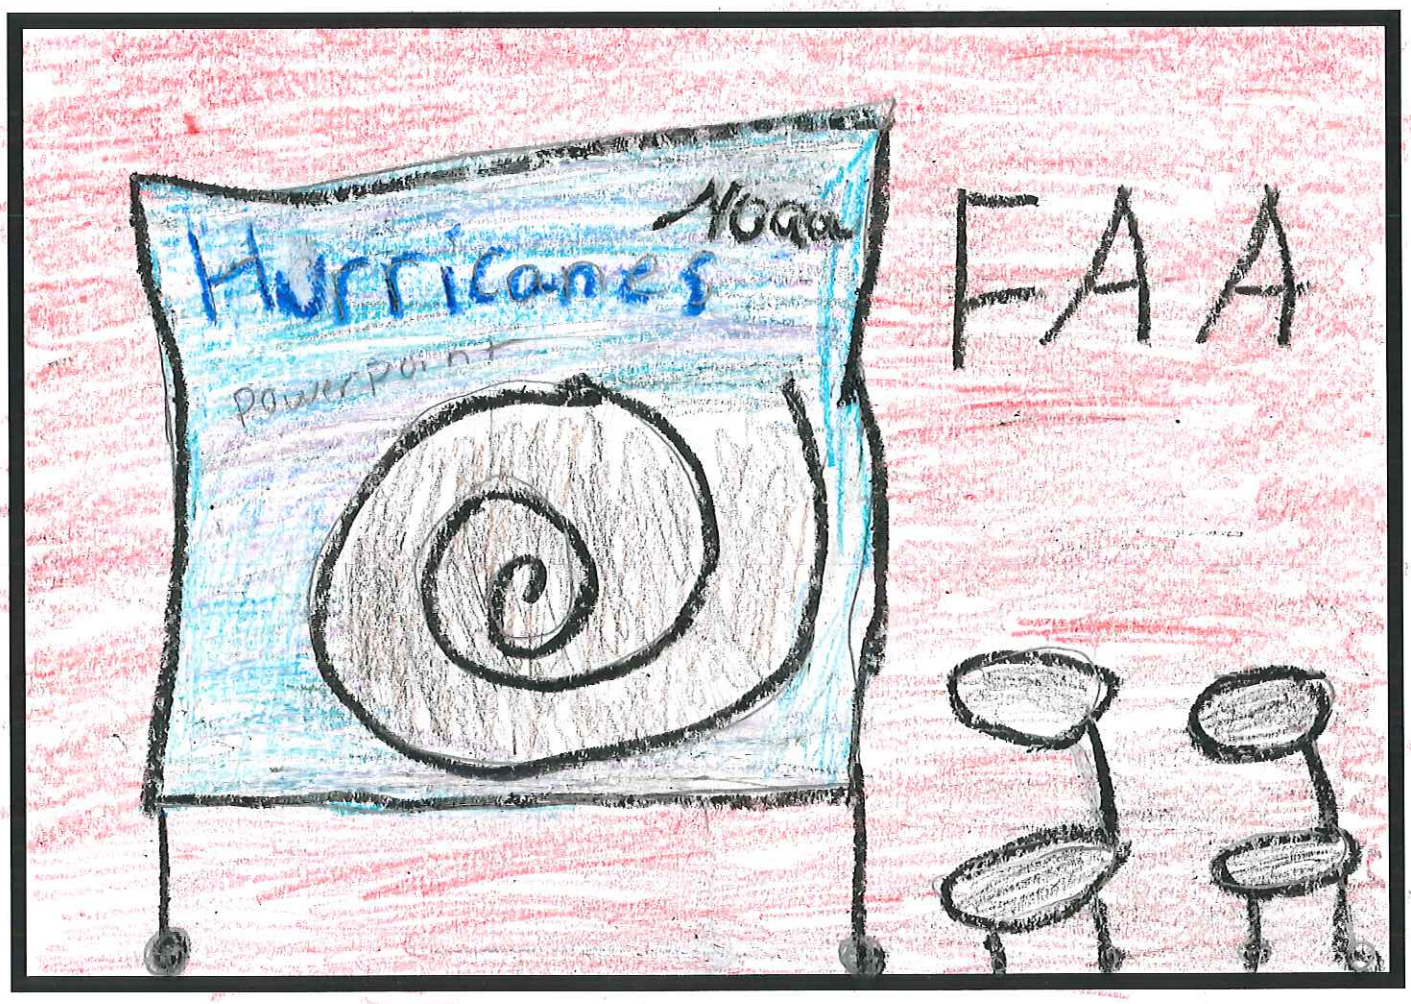
Sincerely,
Madeline



Dear Ms. Corder,

Thank you for all of the great things at the FAA center. I loved the Hurricane Hunter. Also, the presentations were awesome. That was a once in a life time experience and it was the most fascinating. And the helicopters were so cool with the basket.

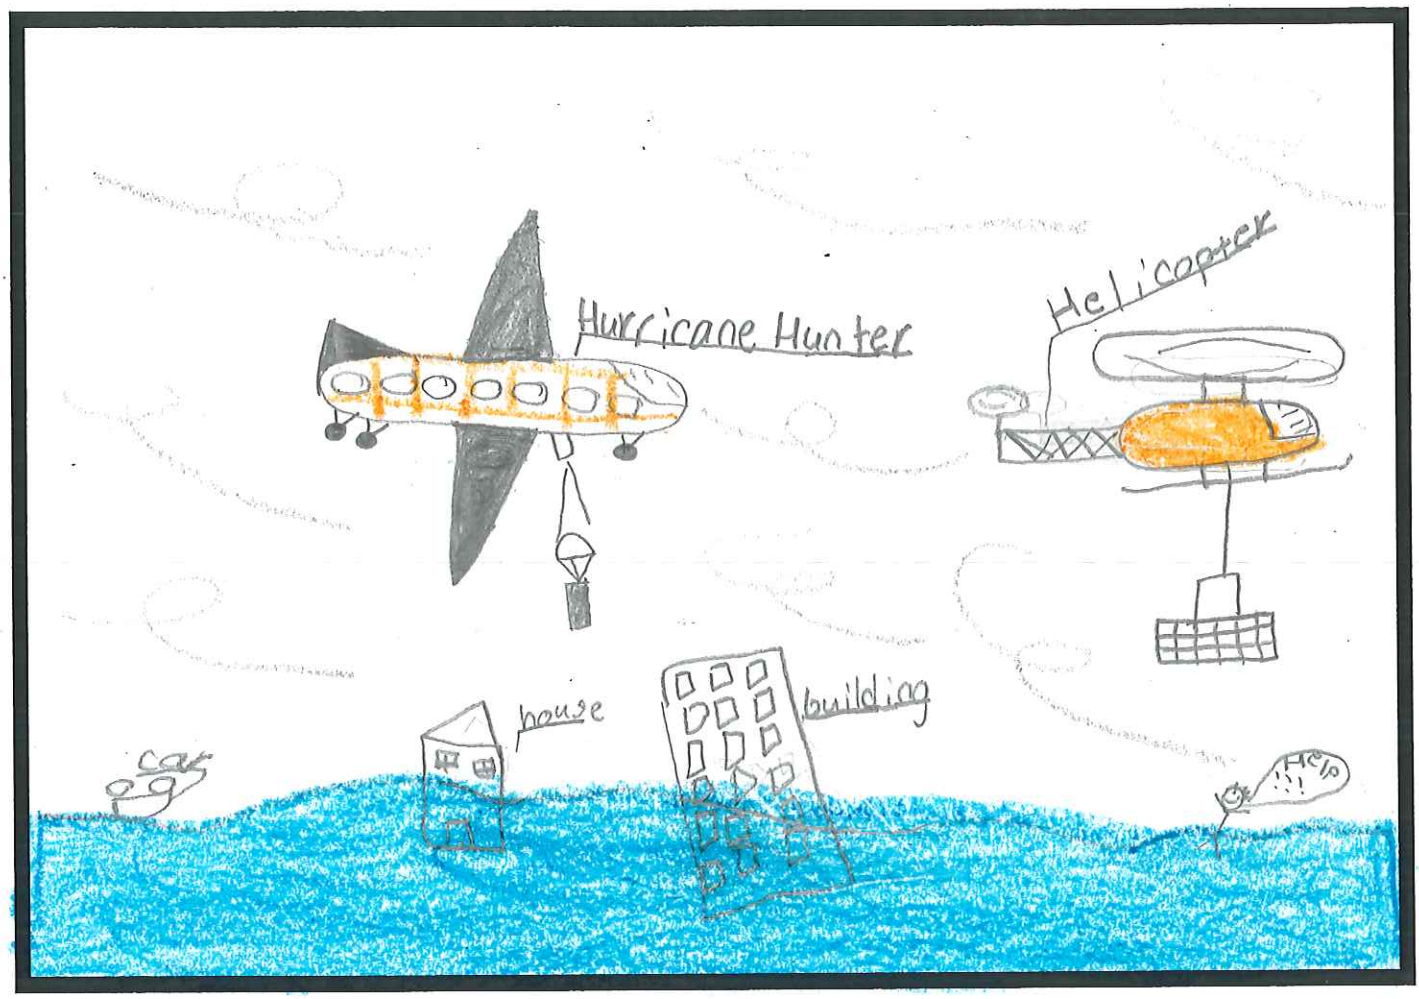
Sincerely,
Sean



Dear Ms. Corder,

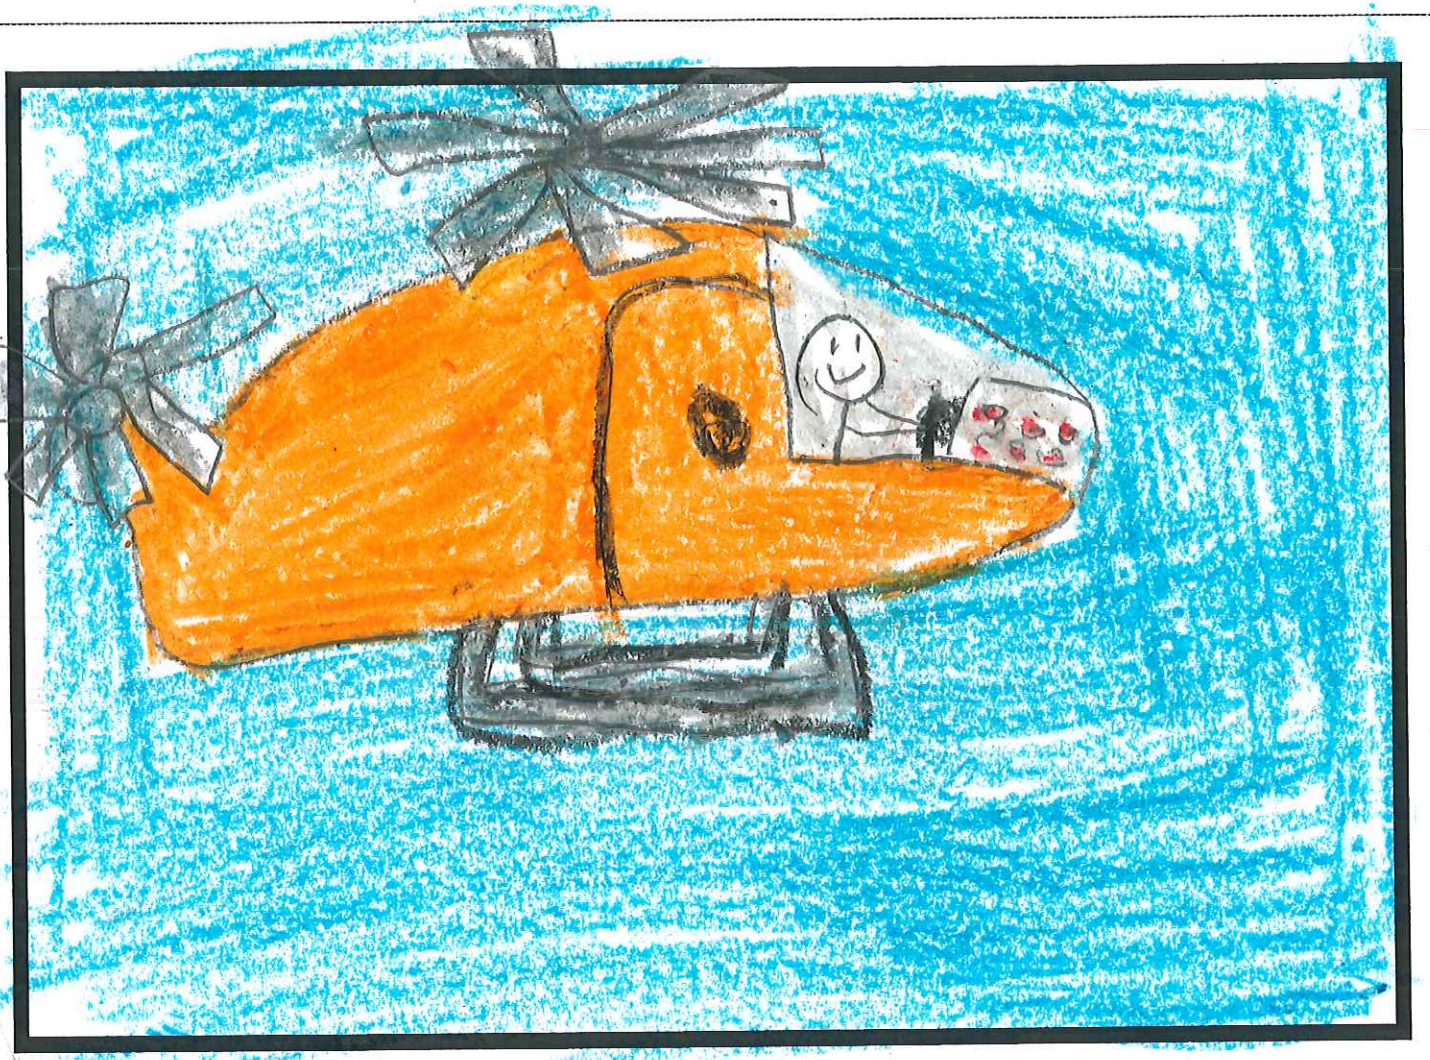
Thank you for letting us come to the FAA Center. Out of all of the schools you could have picked you picked ours and it was so fascinating looking at all the airplanes! My favorite part was the powerpoints because I learned a lot about hurricanes. Thank you again.

Sincerely,
Vanna



Dear Ms. Corder,

Thank you for inviting us to see the FAA center. It was so cool because we saw planes and helicopter that fly over hurricans. All the free stuff was awsome and specialy the glasses. I loved watching the video about hurricans. The food truck would be great to go camping because it has a kitchen and a bathroom. Also, I never knew planes had a GPS, so you know where other planes are. My favorite was the Hurricane Hunter and the Helicopter.

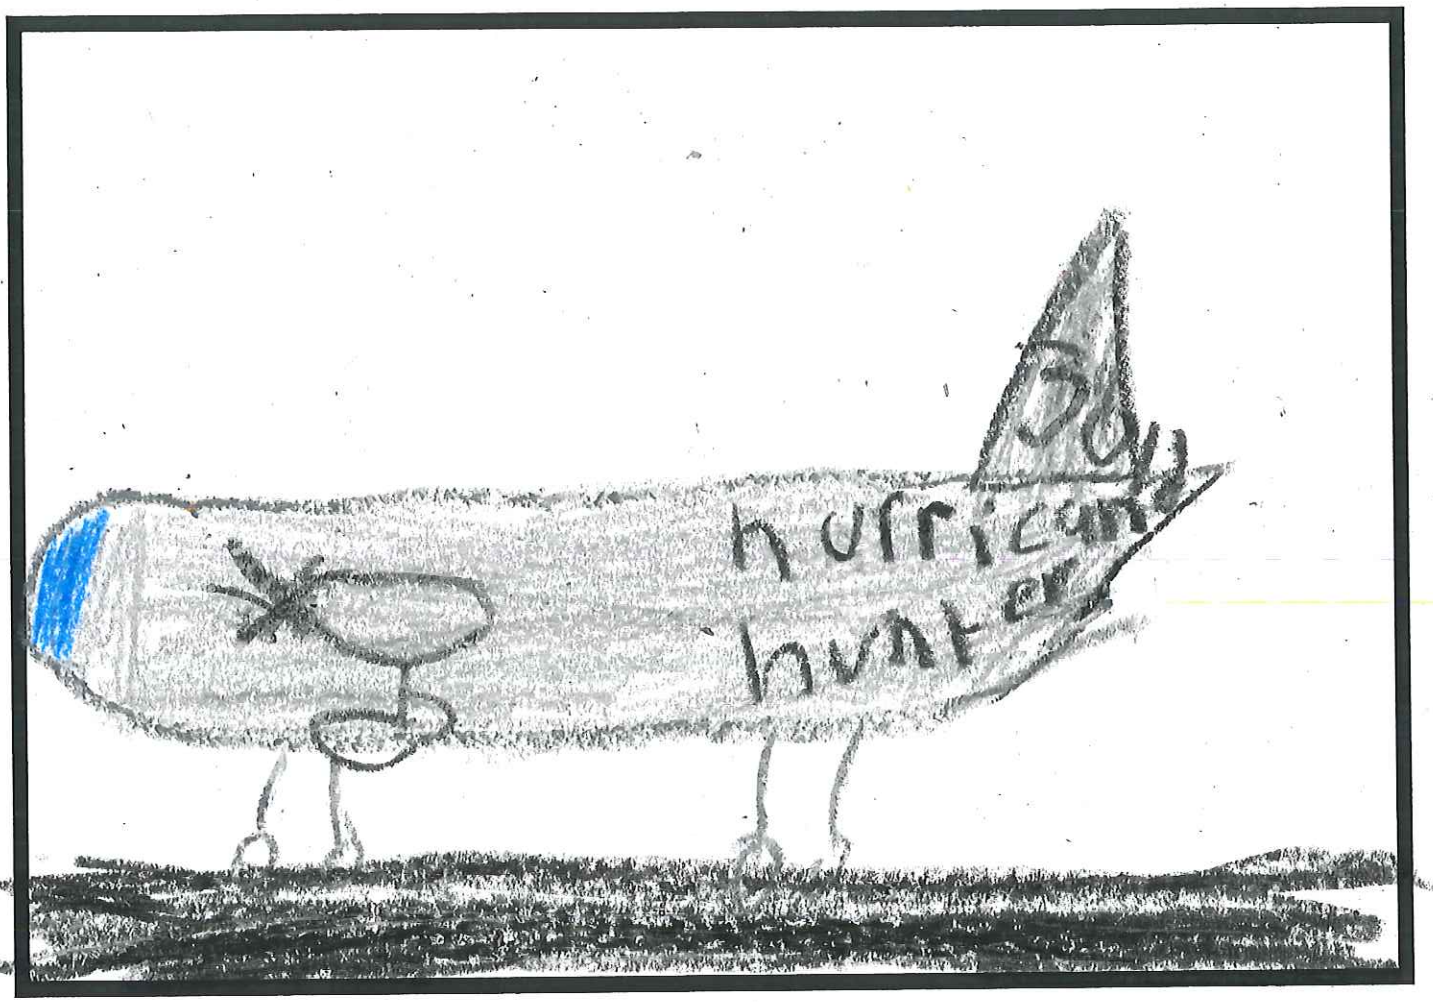


Dear Ms. Corder,

Thank you for showing us all these planes, helicopters, + Jets too. Thanks for the bags and letting us go on the planes and helicopters. Thanks for showing us the power point presentation. Thanks for showing me the things you use for hurricane. My favorite plane was the harricane hunters. Thanks for everything.

Sincerely,

Alex



Dear MS. Corder

Thank you for letting us go to the FAA center. Also, thank you for letting us see the Hurricane Hunter my favorite part of the Hurricane Hunter was getting to touch it. And her thing I really liked was getting to go on the helicopter and to get to go in the basket.

Dear Ms. Corder,
thank you for a wounderful trip. Also for all the cool stuff we saw at the FAA center. Like the awesome hurricane hunter plane, and all the equiment inside. Also for letting us see the F16 fighter jet and the cost gard helocopter too. It was a very cool experience. Lastly, thank you for taking the time out of your busy schedule to let us see all those amazing things.

sincerely,
Aidan

Dear MS. corder,

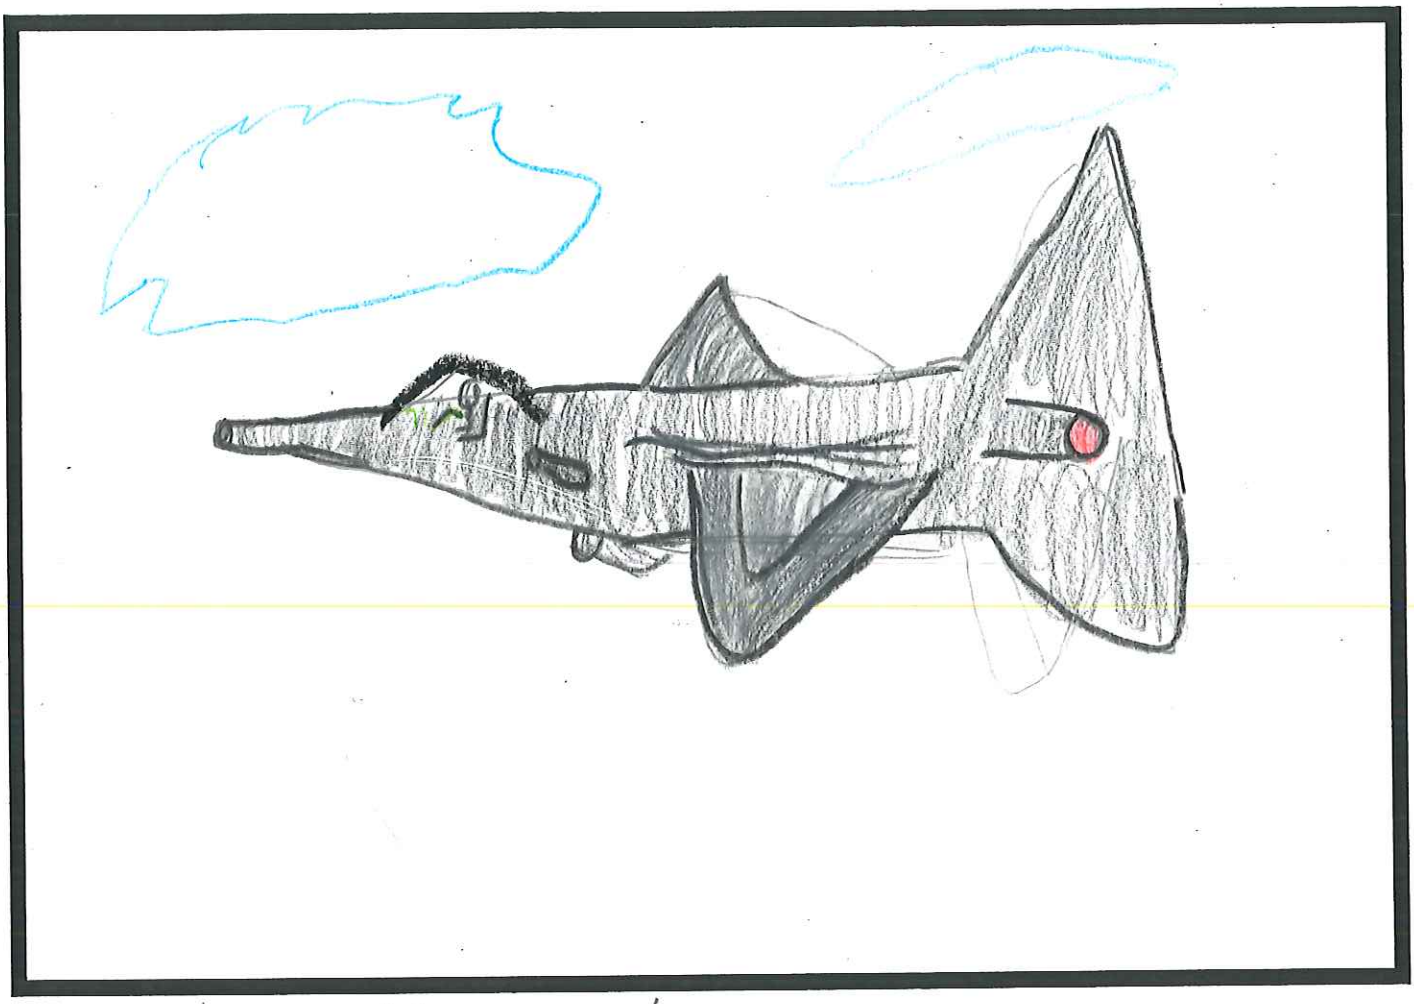
Thank You for letting us come and take time out of your busy Schedule and tour us around the Plase. It was really facinating. I hope we can see you again.

Sincerly
Derek

Dear Ms. Corder,

Thank you for letting us see the planes, jet, and helicopter. My favorite part is when we got to go inside the Hurricane Hunter. Also, thank you for the gifts. Thank you for taking time out of your work and letting us see what you guys do during a hurricane.

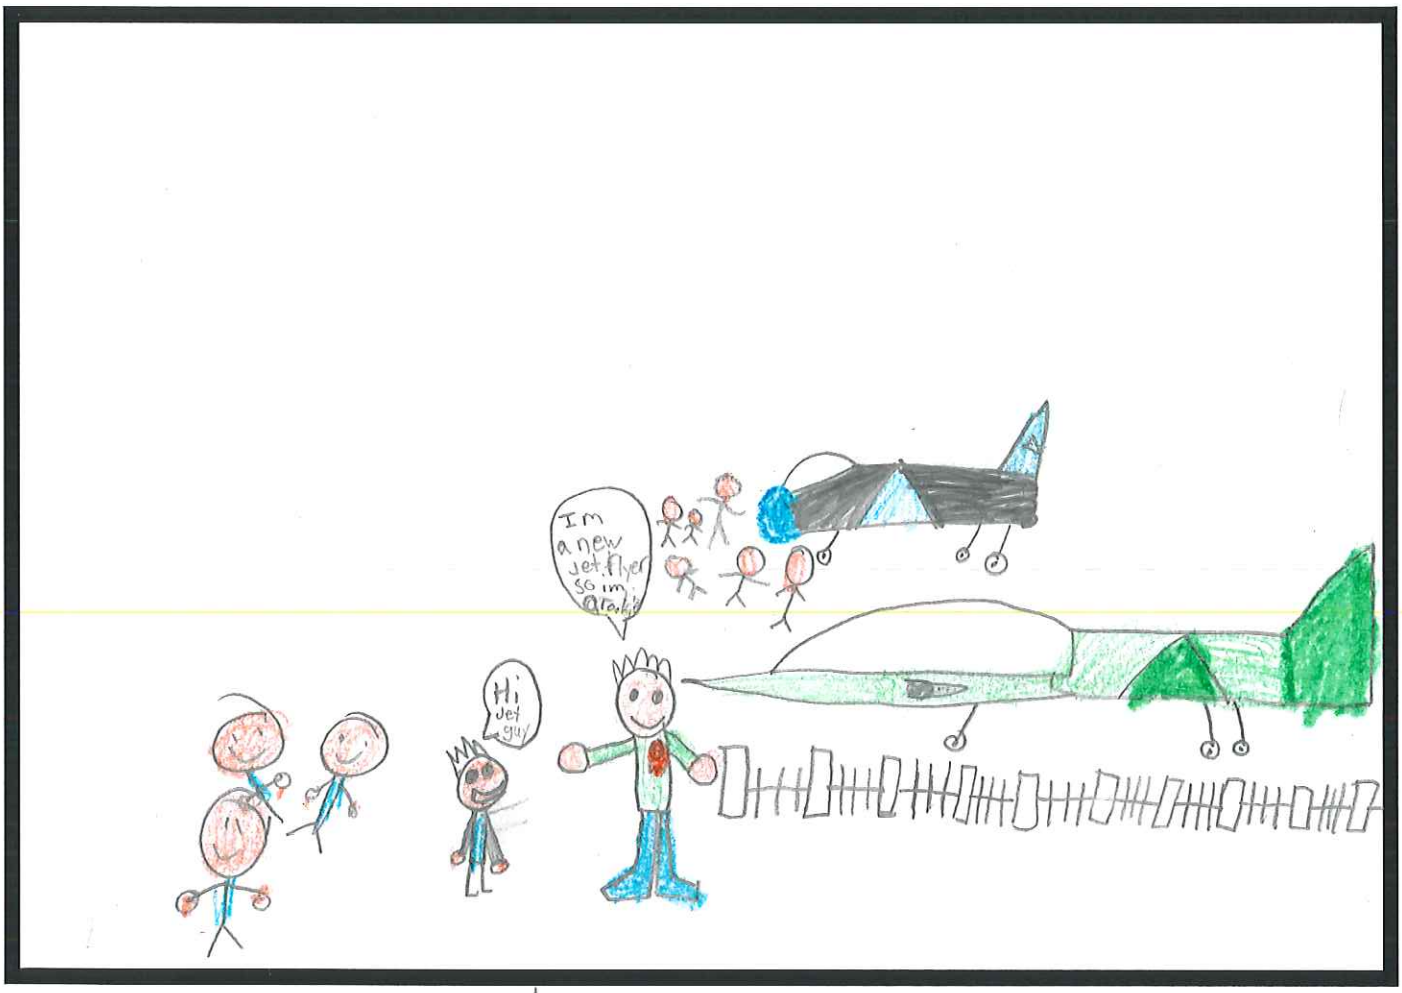
Sincerely,
Christopher



Dear Ms. Corder

Thank you for letting us see the fighter jet and the hurricane hunter. I thought it was so cool because we got to walk through them too.

Sincerely,
Michael



Dear ms. Corder,

Thank you for letting us go into the FAA center. It was so cool and I liked the hurricane hunter. My biggest favorite was the jet and the hanger presentation. It was amazing, it was like Mrs. Johnson teaching us. Thank you for the presents, its not even Christmas yet!

Sincerely

TJ

Tatiana

Dear Ms. Corder,

Thank you very much for choosing our school for the field trip. Some of the things I liked about the FAA Center is All the planes, Jets, and Helicopters. I liked the presentation, and my favorite plane was the Fighterjet. I liked the stuff in our bags, and also liked the Soda bottle tornado thing. But, thanks alot!

Sincerely,
Tatiana

May 6, 15

Dear Eugenia Corder,

Thanks for the cool trip! I really loved when we were in the garage and saw all these things, it was really interesting! Especially when we saw the plywood in the tree, and making a tornado with the water! I learned that, well, you should never use plywood to cover your windows during a hurricane. So thanks again!

Hurricane Hunters

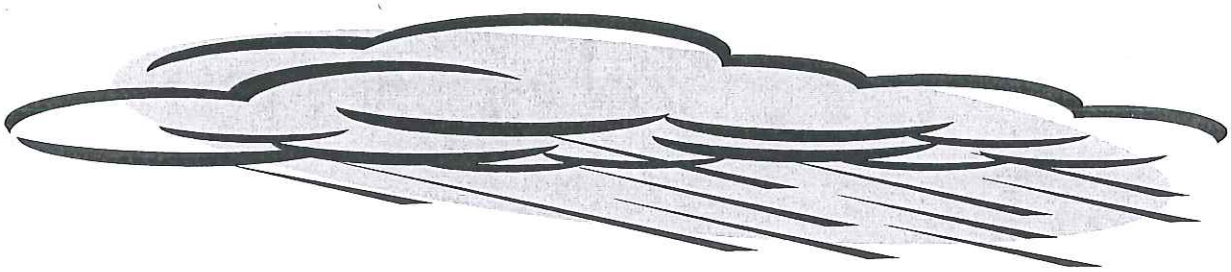
Hanna

May 6, 2015

Dear Eugenia Corder,

Thank you alot for letting us come down and see all the cool gagits you use when your in action with a harricane. I actally learned something new you talt me and it was the NOAA I know what it means it means National Oceanic Atmospheric Administration. That was my favorite part is you teaching me something new. My other favorite part was the F16 jet that was really cool.

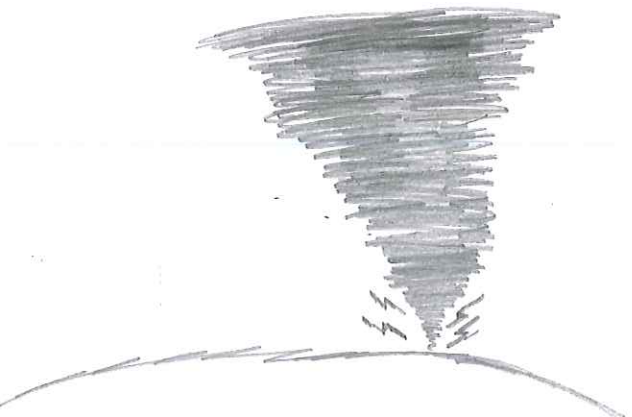
Sincerly,
Juelz. W.



May 8, 2013

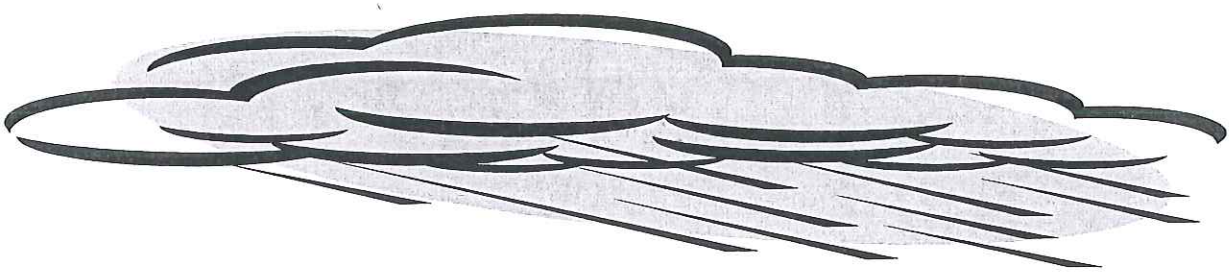
Dear Eugenia Corder,

I relly liked every thing all the planes, the bag, vedio, and more stuff My favorite part was when we got to go on the choper. I relly enjoyed the water because it was so hot, I learned that hurricanes are classifed by their wind speed. I never learned about cadrea but now I know.



sincerely,

NOE

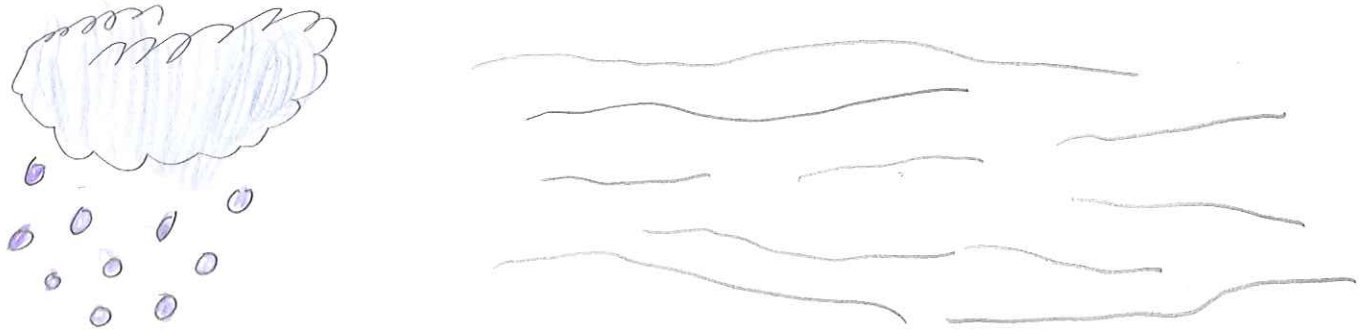


May 6, 2015

Dear Eugenia Corder,

My favorite part was when I got to go into the actual Hurricane Hunters air plane. I learned a lot of things there one of them was spinning the water bottle and seeing a tornado form. My favorite air plane that I got to go in was the coast guard helicopter because it had so many switches

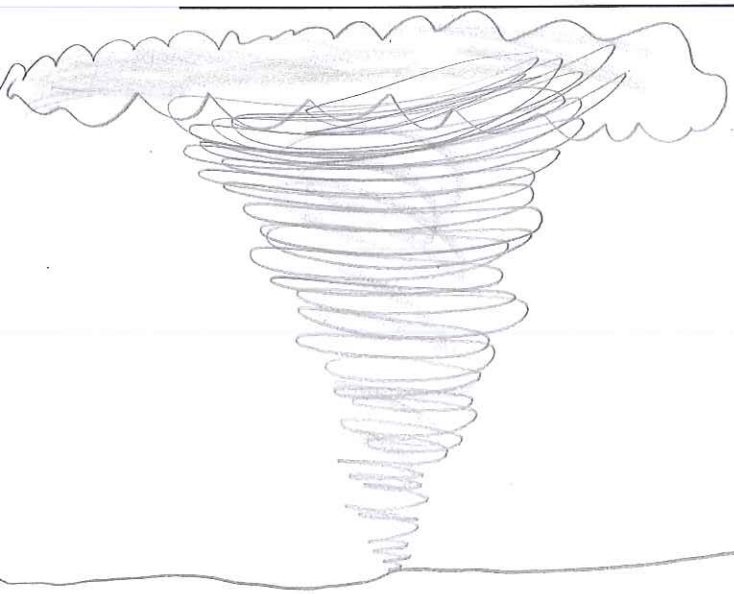
Sincerly,
Ethan



May 6, 2015

Dear Eugenia corder,

Thank you for having the 4th grade come to the FAA center. My favorite part was when I got to go in the CostGaurd Helicoptor I was reall cool. I learned about how they fly and the different things they use to fly into hurricanes.



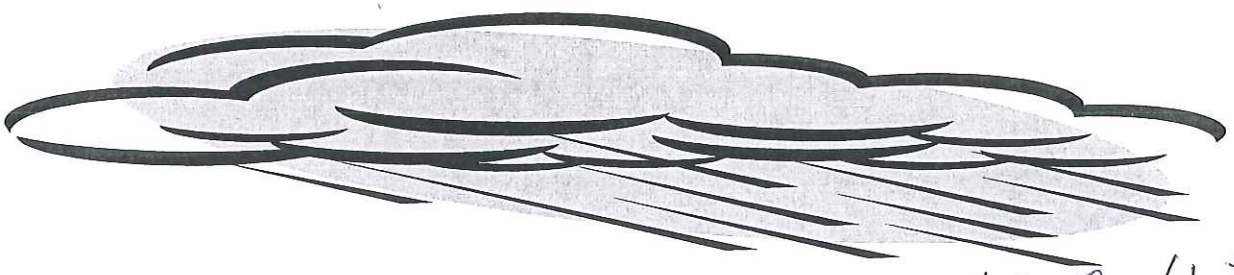
Sincerly,
Will

May 6, 2015

Dear Eugenia Cordar,

I Really liked what you showed us. My favorite part was when we got to go into the saving, baskets I dont know what thay are called. What I really liked that I learned was the GPS for planes that was cool anyways.

Sincerely,
Kaylee

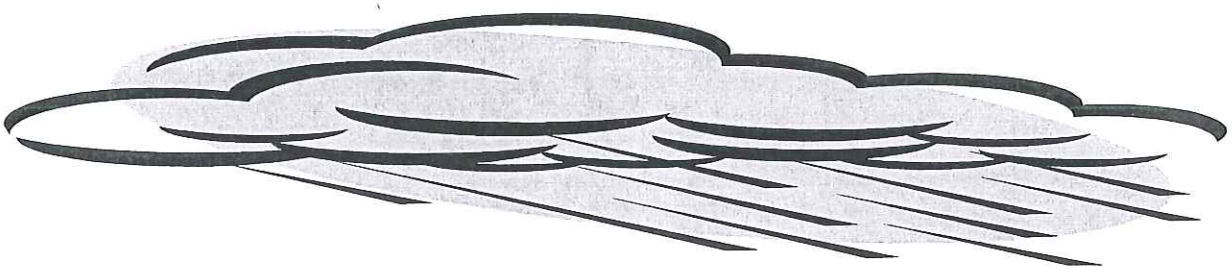


05/06/15

Dear Eugenia. Corders

Thank you for the amazing slide show, views of amazing aircrafts, and the free stuff. My favorite part about our field trip was learning about the Hurricanes, tornadoes, and aircrafts. I loved everything that you, guys showed me. Anyway I am thankful I got to visit and I had alot of fun!

Sinceraly,
Colin.



May 6, 2015

Dear Eugenia Corder,

Thank you for teaching our class about hurricanes and other different kinds of storms. I liked when we got to see the different kinds of planes and the bags we got. My favorite part was everything. I also loved the different pictures you showed us on the board and the car that can give alot of people food.

Sincerely,
Jenn

May 6, 2015

Dear Eugenia corder,

My favorite part was when we went on the plain that went in hurricane Sandy. It was cool because we saw the instrument that was dropped out of a plan into the ocean. to measure, wind Speed, air preasure, and more. Thank you.

Sincerely,
Drew

Hurricane Hunters

May 6, 2015

Dear Eugenia Corder,

Thank you for letting our school come to the FAA Tech Center. My favorite part is when we got to go in the airplane that flew through Hurricane Sandy. I learned that when you have to drop a tool into the ocean you don't get it back. It was fun meeting alot of the kind plane pilots.

Sincerely,
Brielle

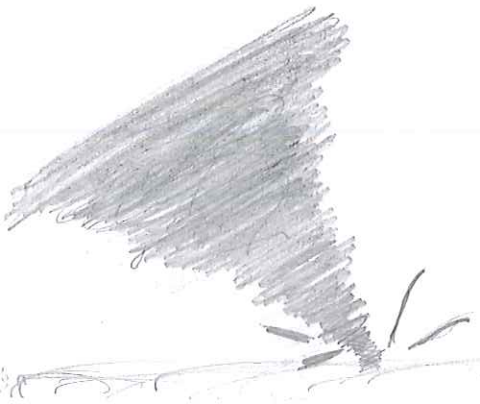
Hurricane Hunters

May 6, 2015

Dear Eugena Carter,

My favorite part of the field trip was the rescue helicopter. It was my favorite because we got to go in all the cool things they rescue people in. Also I liked going in to it and seeing how it worked. We also got to sit in the two driver seats and sit in the back. Thankyou for having us.

Your Friend,
Gianna

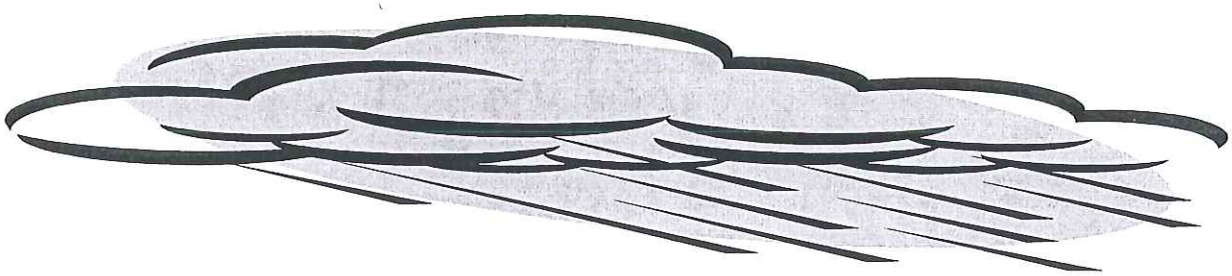


May 6, 2015

Dear Eugenia Corder,

Thank you so much for everything. My favorite Part was going in the jet. I learned a lot that I did not even know. when I walked in the huge gray Plane it was scary. I thought the Plane was going to take off. This was amazing and I hope to come again.

Sincerely,
Paige



May 6, 2015,

Dear Engenia Corder,

My favorite part of the tour was when I went on the C-130 the cotpit was my favorite of the C130 because my dad was a pilot in the Navy and flew the C130. I learned that the air plain C130 can drop a toolat of the plan. Thank you for the tour.

Sincerely,
Pamin

Hurricane Hunters

May 6, 2015

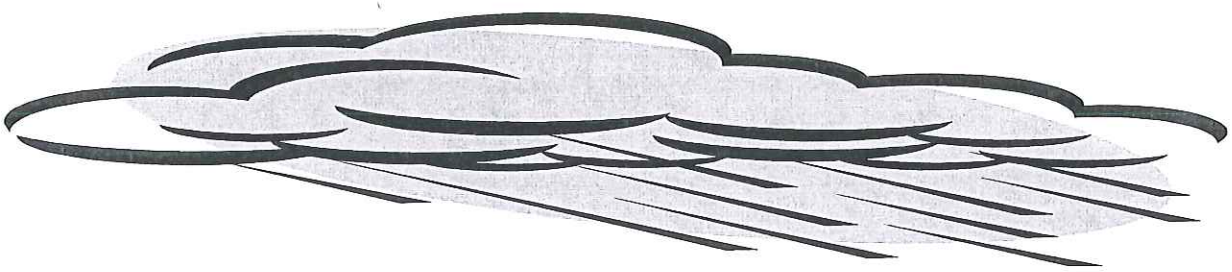
Dear Eugenia Corder,

My favorite part was when we got to go in the planes, the helicopters, and the food trucks. They were AWESOME!! My favorite plane was the one that flew into Hurricane Sandy.

One thing that I learned was that planes can be SUPER SMALL! Thank you for letting us come to the FAA Tect Center! I enjoyed it!

From,
Lauren L.

Hurrican Hunters!?



May 6, 2015

Dear Eugenia. Corder,

Thank you so much for leting us come to your FAA Tech Center. I loved when we got to learn about the GPS and a lot more! I learned a lot but the most was how they rescude people if they got hurt and it was very fasanating how they do it. Thanks again!

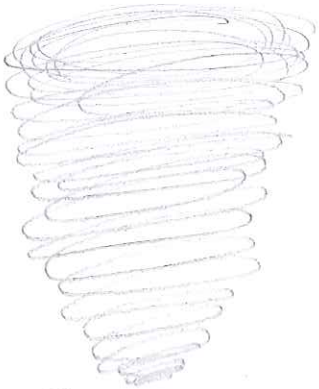
Sincerely,
Mikaela. W

May 6, 2015

Dear Eugenia Corder

Thank you for every thing you did! You were awesome! The field trip to the FAA Center was the best field trip so far. My favorites parts are the hurricain hunter and the jet plane. And I never knew that they actully go INTO hurricanes. Amazing! Thanks again.

Your friend,
Chris.



May 6, 2015

Dear Eugenia Corder,

Thank you soso much for letting us come to your buisness (Hurricane hunters, FAA) It was an amazing experience to see all of those awsome airplanes and to see what was inside. My favorite part was seeing the big grey airplane. It was awesome inside. Tell miss lisa that she did great with talking to us. I learned that inside a plane is awesome!

Sincerely,
Jenna

May 6, 2015

Dear Eugenia corder,

I really lilked when we saw the Haliokopter be cause. I got to see one of them flying in the air. I learnd about a lot of things. like how they find out all about the information. they get from the hurricans. Also about they get more informations about the hurrain when they Move close to land. I loved the trip to the FHA techcenter.

Sincrely,
Brooke

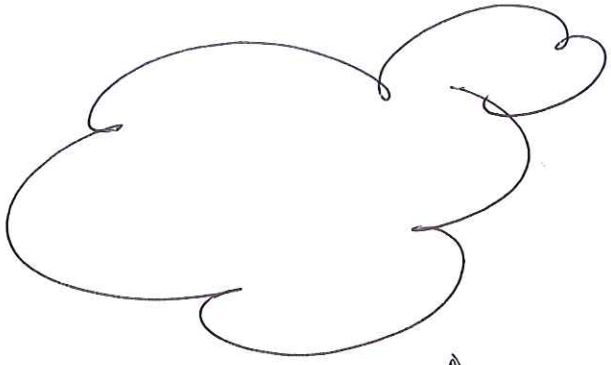
Hurricane Hunters

May 6, 2015

Dear Eugenia Corder,

Thank you so much for letting my class and I come to the FAA Tech Center. I hade a lot of fun on the trip there. My two most favorite parts were when I walked though the plane that flew though Hurrican Sandy. It was very cool with all the little and big gadets around. My other favorite part was when I saw a cost guard plane and got to sit in, and lay in the rescue equiptment. The scaner was a little scary, but cool so thank you again.

Sincerely,
Grace♡

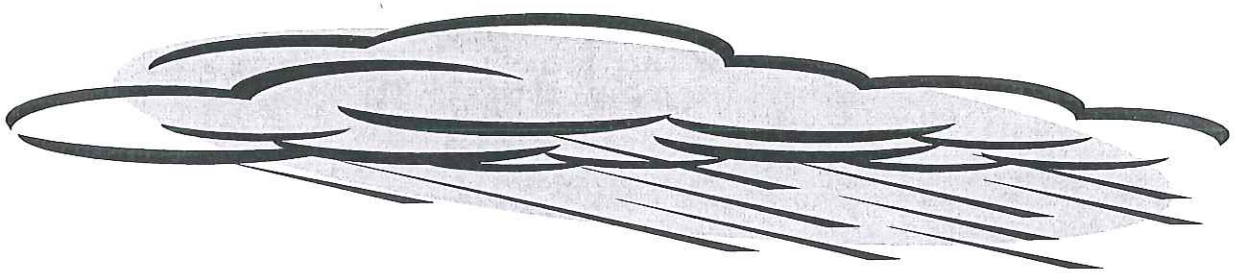


may 6,

Dear Eugenia corder,

I did not know that
2000 gallons of fuel
goes in to the planes
It's amazing how
much fuel can
go in. th I cant
even drink that much
water. I liked the all
the hurricane hunters.

love,
Elaina



May 6/2015

Dear Edgar Valdez,

I had fun at the Fair tech center and learned a lot. My favorite part was how they fix broke the tree.

Sincerly
Bernardo
