

Timberlake Severe Weather 2014

Tuesday June 3, 2014

7 pm – 9 pm...BASIC SKYWARN Spotter Training
Sponsored by the Timberlake Fire Department

Location:
Timberlake Fire Department
350 Ashley Ave.
Timberlake, NC 27583

Severe Weather Spotter Training

The National Weather Service will present a Severe Weather Spotter training program to help participants of all ages understand severe weather in the local area.

The following topics will be covered...

- how buildings fail in high winds
- thunderstorm development and severity
- recognition of storm/cloud elements
- anticipating storm motion, intensity and severity based on cloud structure and more

There is no cost to attend!
