30	44	29	36	29	0	0.03	1.03	9.81	0.3	2.3	21.5

Average High Temperature	52.3
Average Low Temperature	35.4
Mean Monthly Temperature	43.9

Average Heating Degree Days	635
Accumulated Heating Degree Days	2871

Average Cooling Degree Days	0
Accumulated Cooling Degree Days	26

Average Monthly Rainfall	2.49
Accumulated Yearly Rainfall	13.86

Average Monthly Snowfall	2.2
Accumulated Yearly Snowfall	21.4

The daily values presented in these tables are not simple means of observed daily values. They are interpolated from the much less variable monthly normals by use of the natural spline function. Daily precipitation normals were also computed using the natural spline function and do not exhibit the typical daily random patterns. However, they may be used to compute normal precipitation over time intervals.
