### OKLAHOMA, Panhandle

**Beaver County**

9 S Elmwood  
30 1555 CST  
Hail (0.75)

Trained spotter was located along State Highway 23...north of Booker Texas...just inside the Beaver county line.

A severe thunderstorm over the eastern Oklahoma panhandle produced hail during the late afternoon/early evening hours. No damage or injuries were reported.

### TEXAS, North Panhandle

**Collingsworth County**

3 NNW Dodson  
13 1740 CST  
Thunderstorm Wind (EG56)

Whole large trees blown down knocking down two thousand feet of power line. One home lost power...however no power poles broken or downed. No injuries were reported.

Severe thunderstorms across the southeastern Texas panhandle during the early evening hours produced damaging winds but no injuries were reported.

**Collingsworth County**

2 W Wellington  
15 0353 CST  
0356 CST  
Hail (1.00)

A severe thunderstorm over the southeastern Texas panhandle during the early morning hours produced large hail. No damage or injuries were reported.
