Beaver County

Turpin
02 1659CST  0 0  Hail(1.00)

12 W Beaver
02 1719CST  0 0  Hail(1.00)
Severe thunderstorms during the early evening hours across the eastern Oklahoma panhandle produced large hail. No damage or injuries were reported.

Texas County

12 N Texhoma
05 1643CST  0 0  Hail(0.88)

Texas County

Goodwell
05 1710CST  0 0  Hail(0.75)
Severe thunderstorms over the central Oklahoma panhandle produced hail during the early evening hours. There were no reports of damage or injuries.

Texas County

7 N Goodwell
07 1855CST  0 0  Hail(1.75)

Texas County

6 NW Guymon
07 1855CST  0 0  Hail(1.00)

Texas County

Hardesty
07 1932CST  0 0  Hail(0.88)

Texas County

3 W Hardesty
07 1932CST  0 0  Hail(0.75)

Texas County

Hardesty
07 1932CST  0 0  Thunderstorm Wind (EG61)
Severe thunderstorms moved across the central Oklahoma panhandle producing large hail and high winds. There were no reports of damage or injuries.

Beaver County

5 NW Gate
25 1835CST  0 0  Hail(1.00)

Knowles
25 1854CST  0 0  Hail(1.00)
Severe thunderstorms with large hail moved across the eastern Oklahoma panhandle during the early evening hours. No damage or injuries were reported.

Texas County

1 W Hooker
26 1530CST  0 0  Thunderstorm Wind (MG58)
A severe thunderstorm over the central Oklahoma panhandle produced high winds measured by the Oklahoma Mesonet station near Hooker during the late afternoon hours. There were no reports of damage or injuries.

Cimarron County

Felt
30 1800CST  0 0  Thunderstorm Wind (EG52)
A severe thunderstorm moved across the western Oklahoma panhandle during the early evening hours producing high winds. No damage or injuries were reported.

Cimarron County

Wheless
31 1830CST  0 0  Hail(0.88)
A severe thunderstorm across the western Oklahoma panhandle during the early evening hours produced hail. There were no reports of damage or injuries.

TEXAS, North Panhandle

Donley County

Clarendon
02 1521CST  0 0  Hail(1.75)
Severe thunderstorms across the east central and southeastern Texas panhandle during the late afternoon and early evening hours produced large and damaging hail. On the west side of Clarendon...substantial damage to homes...cars and other property was reported from the large hail. There were no injuries reported.

Wildfire

A wildfire started by lightning fourteen miles southeast of Canadian burned eight hundred and fifty acres. There were no reports of injuries or structural damage.

A wildfire caused by lightning ten miles east-southeast of Canadian burned one thousand nine hundred and twenty acres. There were no reports of injuries or structural damage.

Severe thunderstorms across the southeastern Texas panhandle during the evening hours produced large hail and high winds. There

Severe thunderstorms with large and damaging hail moved across the central...eastern...and southern Texas panhandle during the evening hours. Damage was reported in Samnorwood where windshields of vehicles were broken out and also just north of Groom where corn crops received damage as hail covered the ground. No injuries were reported.

A wildfire eighteen miles southwest of Lipscomb burned eighteen thousand acres. There were no reports on injuries or structural damage.

A wildfire seven miles south of Dumas just east of U.S. Highway 87 was caused by welding equipment and burned two thousand four hundred and thirty acres. There were no reports of injuries or structural damage.

A wildfire sixteen miles north-northwest of Bootleg burned four thousand eight hundred and eighty acres. Four people were injured along with two homes saved but one home destroyed. Also...five outbuildings were saved but one outbuilding was destroyed.

A wildfire six miles south of Romero burned two thousand and five hundred acres. The wildfire was caused by lightning and there were no reports of injuries or structural damage.

A wildfire started by lightning eighteen miles north-northwest of Dalhart burned four thousand and five hundred acres. There were no reports of structural damage or injuries.
Texas, North Panhandle

Severe thunderstorms with large hail and damaging winds moved across the southern and central Texas panhandle during the early evening hours. Power poles were reported to be bent with power lines on top of a tractor trailer at the intersection of the Claude Highway and Washington Street. In addition...the Randall County Sheriff's Office reported structural damage to homes along with power lines down on Wheatstraw Road...which is a side street off of Washington Street. Also...the general public about one quarter of a mile northwest of the Claude Highway and Washington Street...reported that a large packing crate...roughly three to four thousand pounds...was pushed north about thirty feet and that scrap metal along with two by fours were scattered all over the ground. A six inch diameter tree limb was blown down at the corner of 16th Avenue and Georgia Street in Amarillo. There were no injuries reported.
