Disaster Contingency Fund Mandatory

Reports of financial needs from people whose property was damaged by the tornado and have been inadequately protected continued to come in.

Unfortunately it is a foregone conclusion that this disaster will not be the last of its kind. However, it is fortunate that the government can finance the needed repairs and help those in need. This will not only benefit the victims but also the taxpayers who will have to pay for these repairs.

As a result, the government has initiated a Disaster Contingency Fund to help those affected by this disaster. The fund will be used to provide immediate assistance to those in need and to ensure that the necessary repairs are made to prevent future disasters.

The fund was established to meet the immediate needs of the victims and to ensure that the necessary repairs are made to prevent future disasters. The government is committed to providing the necessary assistance to those affected by this disaster.

Disaster Support

Appreciates Disaster Support

Fayette Register, May 21, 1968

I want to express my appreciation to all those who have contributed to the Salvation Army's efforts to assist the victims of the tornado. Their generosity has been truly remarkable.

The Salvation Army has been working tirelessly to meet the needs of those affected by the tornado. They have distributed food, shelter, and other essentials to the victims.

I want to thank all those who have contributed to this effort and to the Salvation Army. Their dedication and commitment to helping those in need is truly inspiring.

Thank you for your kindness and support. Together, we can make a difference in the lives of those affected by this disaster.

Scouting News

Stearns Point Special

The Boy Scout Troop 17 of the regular scouting program met on May 22, 1968, at the Recreation Center to plan their next camping trip. They are to meet at the Recreation Center at 6:30 p.m. to set up their gear and begin their trip.

The boys plan to travel to the Twin Lakes area and camp at the lakeside. They will spend the night under the stars and return to Stearns Point on May 23, 1968.

The boys are excited about the trip and are looking forward to spending time in the great outdoors. They have been preparing for this trip for several weeks and are eager to put their skills to the test.

Sincerely,
