

NWS Bismarck, ND statistics showing the number of FFW (Flash Flood Warning), TOR (Tornado Warning), SVR (Severe Thunderstorm Warning), issued each year. The numbers reflect the number of counties warned and not the number of warnings issued. In 1995 LaMoure and Dickey counties were transferred from NWS Fargo / Grand Forks to NWS Bismarck.

<b>YEAR</b>	<b>FFW</b>	<b>TOR</b>	<b>SVR</b>	<b>TOTAL</b>
1986	0	10	143	153
