WHERE TO FIND THE NWS

The NWS is dedicated to providing the most up-to-date weather information to each and every community using the latest technology. Our local forecast office webpages are valuable sources of real-time weather information, and you will also find...

- Climate Facts (local/regional & national)
- Graphical Forecasts & Maps
- Recaps/stories on significant weather events
- Hydrologic Information (rivers/lakes)
- Real-time Surface Observations
- Radar/Satellite
- Storm Reports
- Interactive Watch/Warning/Advisory Map

The NWS has become more involved in the social media arena and utilizes both Facebook and Twitter to pass along important weather notes to large numbers of people. Here are a few examples of what the NWS will post on FB/Twitter:

- Graphical Forecasts
- Post storm information (i.e. storm surveys)
- Weather Safety and Awareness reminders
- Scheduled Outreach events (spotter training classes)
- Trivia questions
- Weather event information (i.e. total rainfall map)
