	E [34.30, -00.01]			
	07/20/23 19:03 CST		0	Hail (1.00 in)

One inch diameter hail was reported in Geraldine.

A complex of strong to severe thunderstorms dropped south-southeast during the early to mid afternoon hours into north central and northeast Alabama. The tail end of this line spawned a couple of supercell thunderstorms which produced hail and even a brief funnel cloud. Also, damaging winds were reported resulting in power outages in Madison County.
