Bitter Cold and Snow Safety Tips

Impact

- Danger of frostbite, hypothermia
- Risk of livestock and pet loss
- Possible frozen pipes and water damage
- Slick roads and hazardous travel

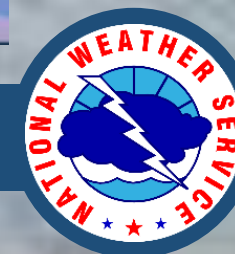

Safety Tips

- Avoid prolonged outdoor exposure
- Dress in multiple layers of warm clothing, including hat, mittens, scarves, and boots
- If you have plumbing susceptible to freezing, open cabinets or allow a slow drip
- Keep pets indoors, check on/protect livestock, and ensure an open water source
