TEXAS, South

Cameron County

Brownsville	12	1315CST			0	0			Thunderstorm Wind (EG55)
--------------------	----	---------	--	--	---	---	--	--	---------------------------------

A thunderstorm with strong winds produced damage to a highway sign along U.S. Highway 77 in central Brownsville. The storm also broke the limbs of small and medium size trees.

Cameron County

2 NW Rancho Viejo	12	1345CST 1415CST			0	0			Flash Flood
-------------------	----	--------------------	--	--	---	---	--	--	--------------------

Strong thunderstorms with very heavy rain produced flash flooding on U.S. Highway 77 as well as areas adjacent to the highway.

Cameron County

2 E La Feria	12	1355CST			0	0			Hail(0.75)
--------------	----	---------	--	--	---	---	--	--	-------------------

Cameron County

2 E La Feria	12	1355CST			0	0			Thunderstorm Wind (MG52)
--------------	----	---------	--	--	---	---	--	--	---------------------------------

Starr County

El Sauz	12	1800CST			0	0			Hail(0.88)

TXZ255

Cameron

19		0200CST 0400CST			0	0	10K		Strong Wind (EG50)
----	--	--------------------	--	--	---	---	-----	--	---------------------------

Strong wind gusts between 50 and 60 mph associated with Tropical Storm Erika produced minor wind damage over South Padre Island and Brownsville. At South Padre Island a business suffered roof damage as steel roofing material was peeled off by the wind. In Brownsville one large tree was uprooted and several small to medium size trees suffered limb damage.

Hidalgo County

Alamo	22	1450CST			0	0			Thunderstorm Wind (EG52)
-------	----	---------	--	--	---	---	--	--	---------------------------------

Severe thunderstorm near Alamo produced strong winds which downed power lines.
