----------	-----------	-------------------	---------------------	------------------------

TEXAS, South

WILLACY COUNTY --- 2.2 SSE LYFORD [26.39, -97.77]

11/19/07 17:15 CST	0	Tornado (EF0, L: 1.00 mi , W: 10 yd)
11/19/07 17:30 CST	0	Source: Public

A resident first noticed a tornado over an open field approximately 1-2 miles east of U.S. Highway 77 just south of FM 491. The tornado moved westward toward U.S. Highway 77 and lifted as it approached the Highway, then dissipated. The tornado was on the ground approximately 3 to 5 minutes. No damage was reported.

Isolated showers and thunderstorms moved across portions of Deep South Texas. An isolated thunderstorm produced a weak tornado which briefly moved over an open field approximately 2 miles southeast of Lyford Texas.
