

# NATIONAL WEATHER SERVICE

COLUMBIA, SC WEATHER FORECAST OFFICE

## SKYWARN® Storm Spotter Training Schedule

### Basic Storm Spotter Training (Duration: Approximately 2 hours)

#### Course Overview:

This free training will include: a brief introduction to the National Weather Service (NWS), the different types of hazardous weather and how to safely observe them, the types of severe weather to report, and how to send those reports to the NWS. No prior knowledge of weather or weather observing is necessary to attend this training.

**IMPORTANT Schedule Disclaimer:** Classes may be canceled on short notice due to severe weather threatening the area. All class attendees should check this web page and/or contact the organizer for the particular training location on the day of the class to verify that the class has not been canceled.
