Subject: Planned KCLX Radar Outage April 23-26, 2024

The KCLX radar will undergo maintenance April 23-26, 2024. Critical electrical work is planned at the radar site which will require the radar to be offline until the work is completed. Once the radar is taken down, it will remain offline until all electrical work is finalized. The radar is tentatively scheduled to return to service by April 26.

During the outage, users are encouraged to use radar data from neighboring radars:

- KLTX - Wilmington, NC
- KCAE - Columbia, SC
- KJGX - Warner Robins Air Force Base, GA
- KVAX - Moody Air Force Base, GA
- KJAX - Jacksonville, FL
