

National Weather Service Charleston, SC

2021 / 2022 Storm Spotter Training Schedule Sign-up

TRAINING INCLUDES: a brief introduction to the National Weather Service (NWS), the different types of hazardous weather and how to safely observe them, the categories of severe weather to report, and how to send those reports to the NWS. This training is FREE and requires no prior knowledge of weather or weather observing.

WEBINAR INFORMATION: All classes will be VIRTUAL. To register for a particular webinar, click the Webinar Link for the associated Storm Spotter Training date below and enter your contact information.

CLASS DURATION: 2 to 2.5 hours | **CLASS AVAILABLE START TIME:** 9 AM to 630 PM (unless otherwise noted)

IMPORTANT SCHEDULE DISCLAIMER: Classes may be canceled on short notice due to severe weather threatening the area. Please check with the Registration Contact for any last minute changes.
