

National Weather Service Charleston, SC

2025 / 2026 Storm Spotter Training Schedule

TRAINING INCLUDES: Brief introduction to the National Weather Service (NWS), the different types of hazardous weather and how to safely observe them, the categories of severe weather to report and how to send those reports to the NWS. **Training is FREE** and requires no prior knowledge of weather or weather observing. Once you complete a spotter class, follow the instructions provided to receive your training certificate by email. Note: No spotter id numbers are issued.

WEBINAR INFORMATION: *All classes will be VIRTUAL and last about 2 hours.*

IMPORTANT SCHEDULE DISCLAIMER: Classes may be canceled on short notice due to severe weather. Check the "Announcements" column for updates
