# CARIBE WAVE 22 Summary

- CARIBE WAVE 22 was held on March 10, 2022. Over 406,000 people registered their participation in the Tsunami Zone website.
- PTWC sent a Dummy Message and simulated tsunami threat products to the TWFPs and NTWCs.
- The Sea Level data was monitored during the exercise. According to an analysis by ITIC-CAR, 32 of the 52 regional stations listed in the PTWC simulated products were operational.
- Social media platforms were a primary source for communicating tsunami awareness, reaching over 1.2 million people worldwide.

# Post-Exercise Evaluation Form

- Each CARIBE-EWS member state and territory is requested to provide feedback on the exercise to assist the development of subsequent exercises and help the PTWC, NTWCs, TWFPs and response agencies document and address strengths and weaknesses.
- To facilitate feedback, the online evaluation survey can be accessed at the following link:  
<https://www.surveymonkey.com/r/CaribeWave22>
- The deadline for completing the evaluation is **31 March 2022**.
- This questionnaire contains 34 questions, 11 pages, and should take no more than 18 minutes.

# CARIBE WAVE Certificates

The website Tsunami Zone ([tsunamizone.org](http://tsunamizone.org)), issues participation certificates for every person registered for the CARIBE WAVE 22 exercise.

The certificates are available in English, Spanish, and French.

To access these certificates:

- Register or login to the [tsunamizone.org](http://tsunamizone.org) account
- Once logged in, the site will take you to your profile page where the certificates will be available.

## Certificates of Participation

Thank you for your participation in CARIBE WAVE 2022!

You now have two options for 2022 Certificates of Participation:

**Certificate Option 1 (form):** FIRST, DOWNLOAD by right-clicking the link (Mac: control-click). This option has a box in which you can type your name and/or your organization's name, or make certificates for your participants (the box in the center will not be seen when printed). Once downloaded, open the file with [Adobe Reader](#) (free, click link to download if you need it) or Preview (if on a Mac) in order to edit the text and then print.

**Certificate Option 2 (line):** This option can be printed for you or others to handwrite names. This may be ideal for large groups of people or for children who want to write their name on their certificate.
