Key Messages:

- **Coldest temperatures are expected Monday night into Tuesday morning** with lows at or below freezing.
- Freeze warnings begin for the Rawlins and Baggs zones at **6 PM through 12 PM Tues.**
- Extends to other zones around **midnight through 10 AM Tues.**
- Steps should be taken to **protect sensitive vegetation, animals, and equipment!**

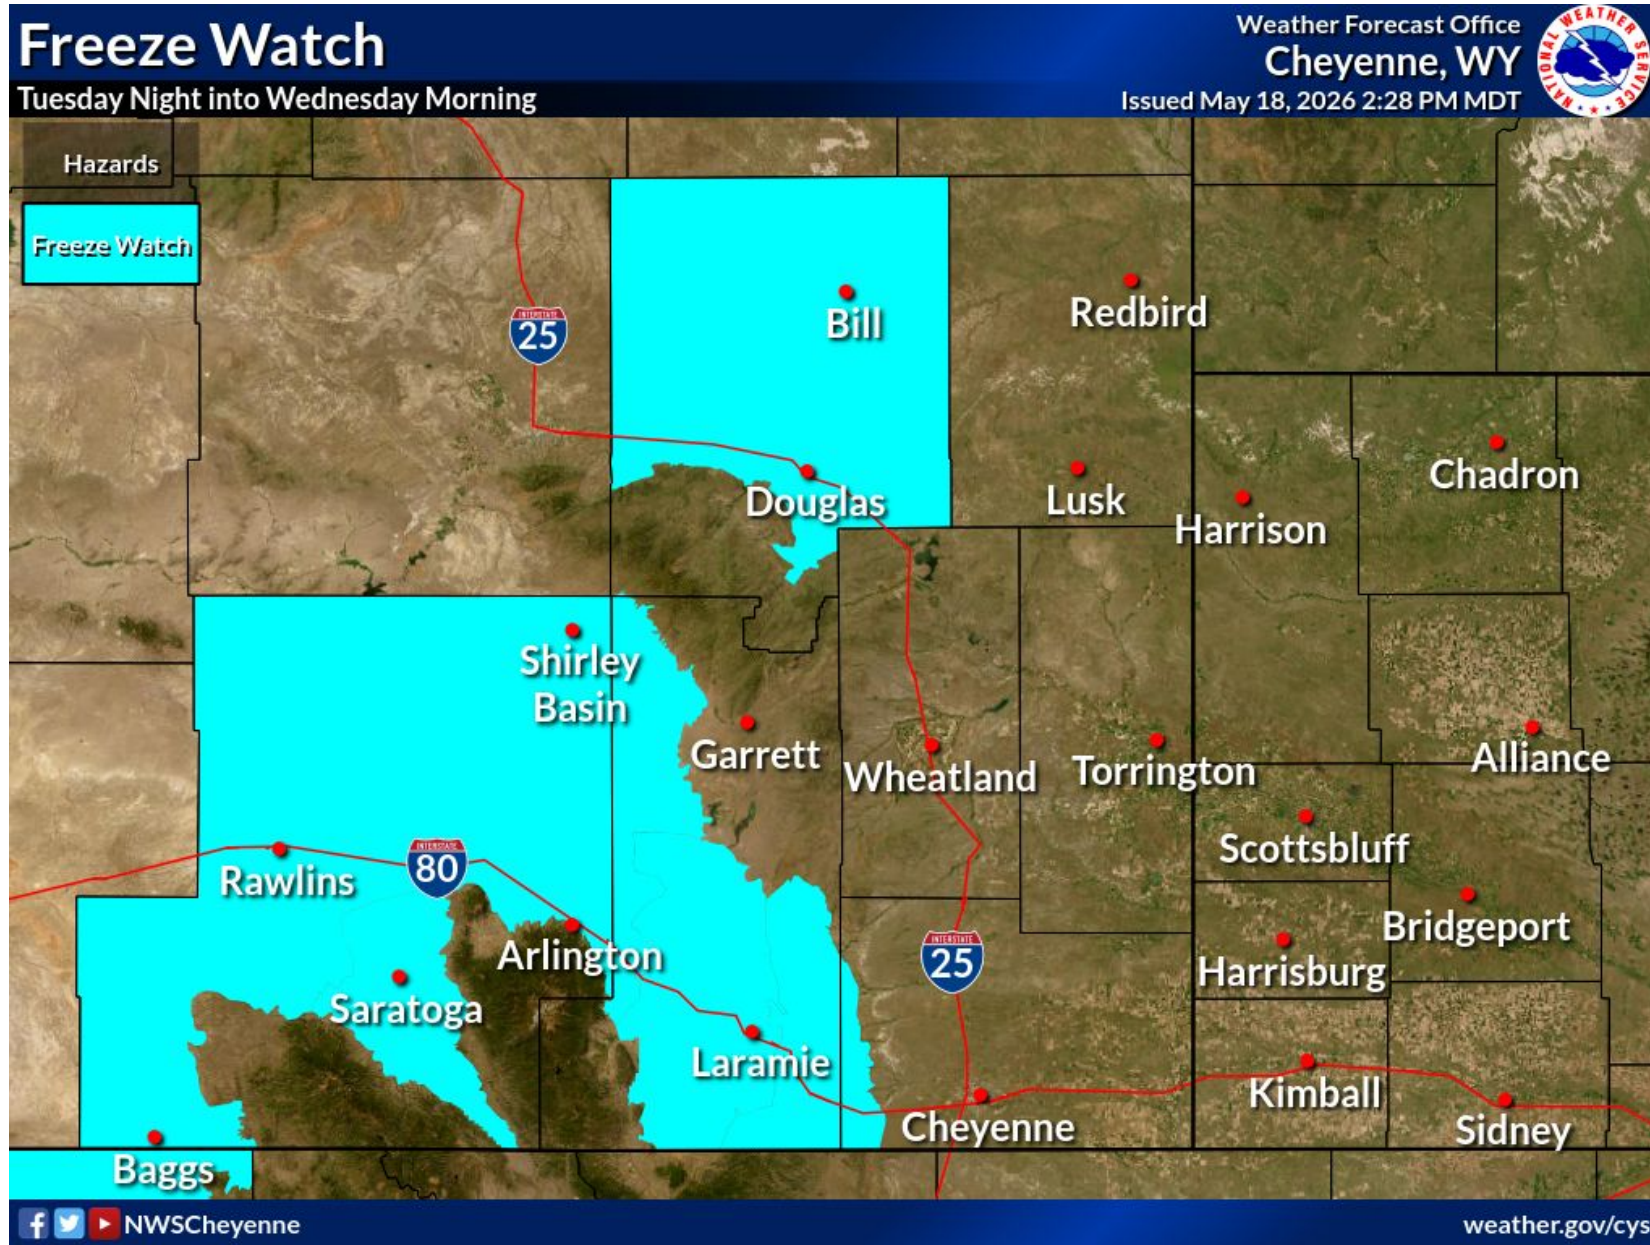

Freeze Watch

May 18, 2026
3:22 PM

Tuesday Night into Wednesday Morning

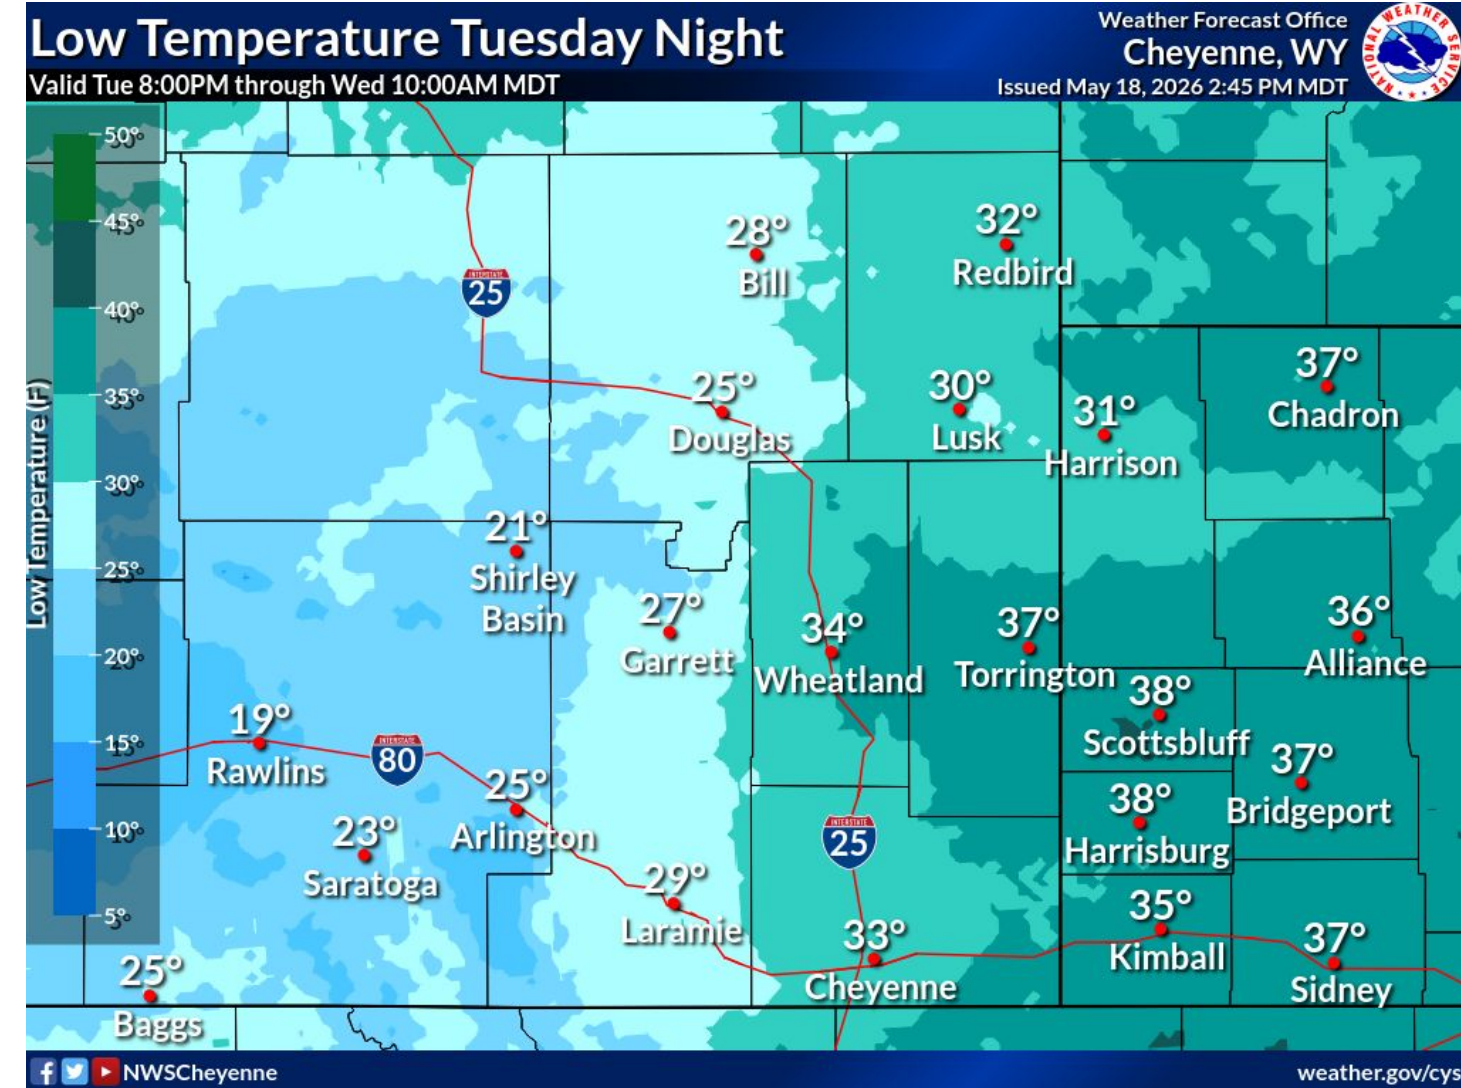

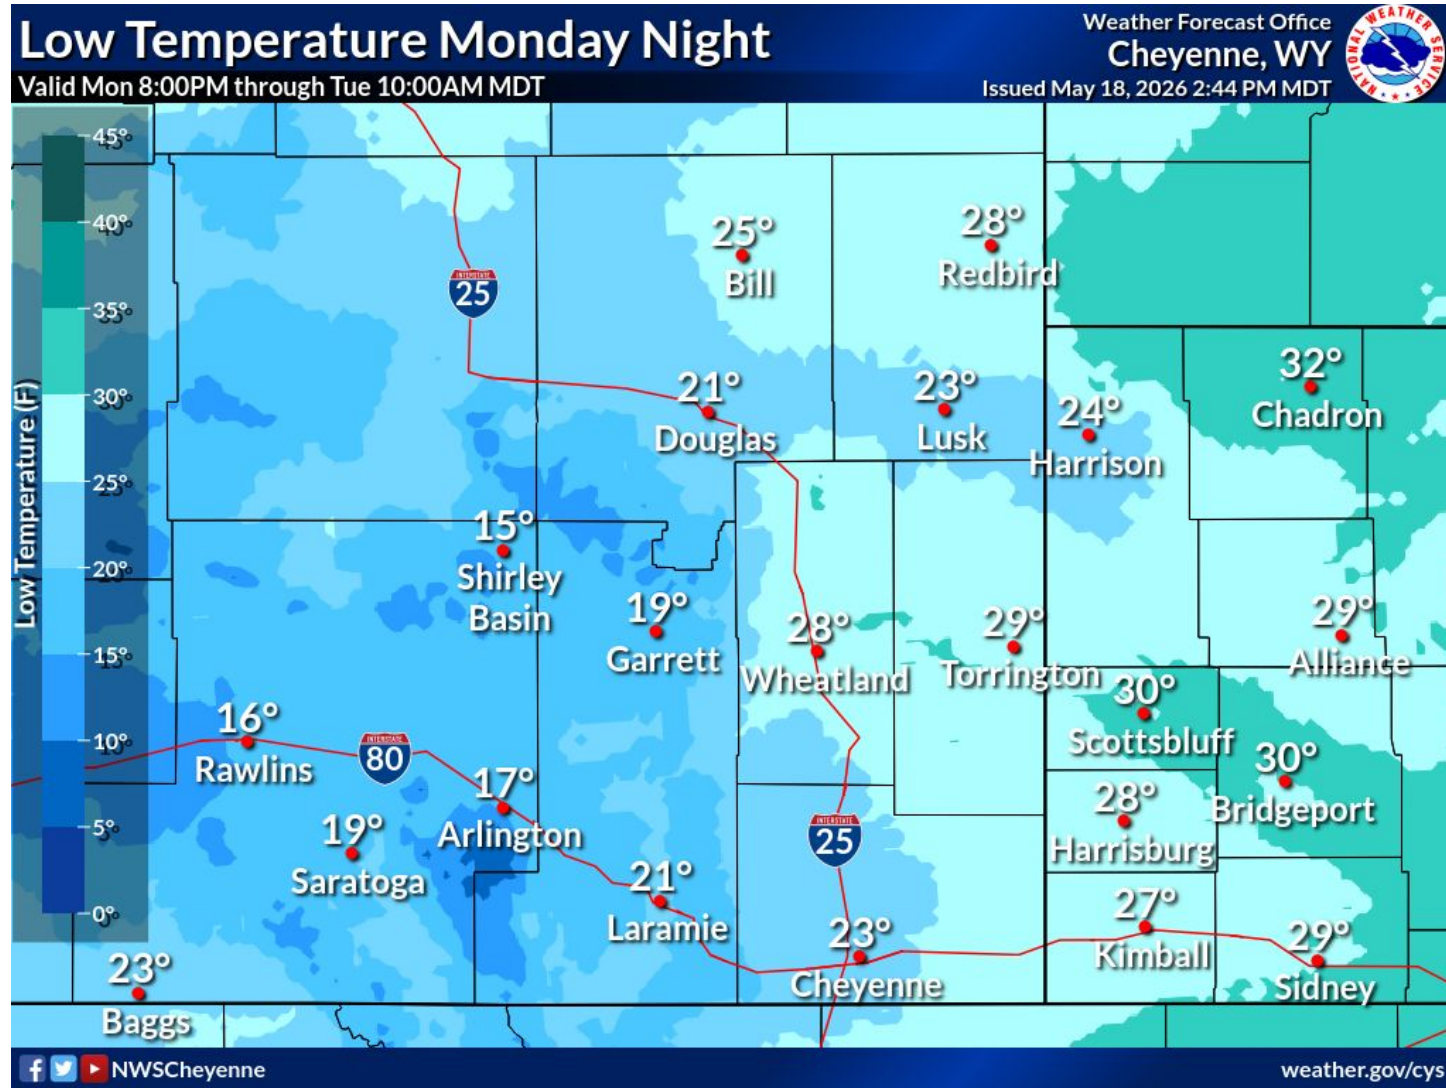

- Low temperatures Wednesday morning will be below freezing. Record lows will be possible, particularly in locations where skies clear and/or snow cover remains.
- Temperatures Wednesday morning will rise slightly, but sub-freezing conditions are still possible.

Low Temperatures

May 18, 2026
3:22 PM

Tuesday Morning and Wednesday Morning

- Low temperatures Tuesday morning will be at or below freezing. Record lows will be possible, particularly in locations where skies clear and/or snow cover remains.
- Temperatures Wednesday morning will rise slightly, but sub-freezing conditions are still possible, particularly west of the Laramie Range.
