MEMORANDUM FOR: National Weather Service Directives System (NDS) Customers  
/signed/  
FROM: Tim Napora  
Budget Execution and Formulation Division Director  
SUBJECT: Rescission of NWS Instruction Directive 1-1101, Acquisition  
Management Instruction

The following document is being rescinded from the NDS.

NDS Title: Acquisition Management Instruction NDS Number: 1-1101  
Effective Date: January 13, 2005  
Signature Date: December 30, 2004  
Certified By: M. Paese  
Approving Authority: John McNulty Jr.

Summary: We recommend rescinding the Acquisition Management Instruction directive because its contents and functions are included in a replacement directive, "Contracting Management", which focuses on the roles and responsibilities of the NOAA COR. Additionally, the NOAA Acquisition Manual already encompasses the details of directive 1-1101. As a result, the Acquisition Management Instruction directive is now redundant
