**MEMORANDUM FOR:** National Weather Service Directives System (NDS) Customers  
**FROM:** Mickey Brown, Deputy Regional Director, Eastern Region  
**SUBJECT:** Rescission of Eastern Region Supplement 02-2006 “Eastern Region River Forecast Center Backup Responsibilities,” applicable to NWSI 10-901.

The following document is rescinded from the NDS.

NDS Title: Eastern Region River Forecast Center (RFC) Backup Responsibilities

NDS Number: ERS 02-2006

Effective Date: September 15, 2025

Signature Date:

Certified By: Laurie G. Hogan

Approving Authority: Mickey Brown, Deputy Regional Director, Eastern Region

**Summary:** The roles and responsibilities for RFC Backup are no longer accurate. [The Office of Water Prediction](#), National Water Center is now providing primary support for RFC backup vs. the Eastern Region Headquarters.
