

March 18, 2005

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: David B. Meek
Chief Data Systems Branch

SUBJECT: Certification of Pacific Region Supplement 05-2003,
“Use of Parachutes in Radiosonde Trains,” applicable to
10-1400, dated April 14, 2003.

The Pacific Region HQ reviewed National Weather Service Supplement 05-2003, “Use of Parachutes in Radiosonde Trains,” applicable to 10-1400, and certifies it is current and requires no updating during its FY 2005 annual review cycle.
