Silver Spring, Maryland 20910-3283

JUL 22 2016

MEMORANDUM FOR: National Weather Service Directives System (NDS) Customers

FROM: *for* Thomas Graziano *Donna Page*  
Director, Office of Water Prediction

SUBJECT: Rescission of 80-701  
River Forecast Center Development Management Process

The following document is rescinded from the NDS.

NDS Title: River Forecast Center Development Management Process  
NDS Number: 80-701  
Effective Date: 1/22/2014  
Signature Date: 1/8/2014  
Certified By: Donna Page  
Approving Authority: Robert Hartman, Acting OHD Director

Summary: Due to the NWS Re-organization and the full adoption of V-Lab as means to develop, collaborate, and share applications, this directive is obsolete.
