Light Rain Friday		

Weather Message of the Day:

Mild temperatures in the 50s and 60s for the rest of the week will be accompanied by fair weather through Thursday.

Clouds will roll in Thursday night and eventually rain will move in by Friday. Expect the bulk of the rain to fall south of I-70, with perhaps a tenth to a quarter inch through the day.

For now the weekend looks dry, with temperatures on Saturday in the 60s and Sunday in the 50s.

Extended Outlook

The last week of October is still trending cooler than normal, but signals are starting to emerge for a wetter than normal patten to end the month.
