

7 Day Outlook - Hazards Details

April 30, 2025
4:43 AM

Key Messages:

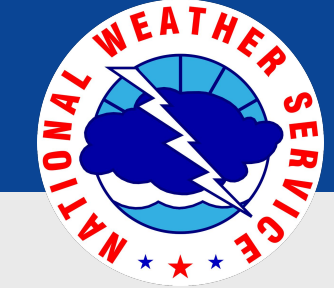

- Seasonal weather with afternoon breezes today through the end of the week. Localized enhanced fire weather conditions.
- There is a slight chance for thunderstorms on Friday and Saturday, mainly east of the Rio Grande.
- Another system may bring wind, blowing dust, and critical fire weather conditions back to the area on Sunday into Monday .

Forecast Overview:

We will be breezy each afternoon today through Saturday except Thursday. With the very dry air in place we will see elevated fire weather concerns most afternoons this week. A little moisture slips into the area to give us a slight chance for thunderstorms on Friday and Saturday. Strong winds and dust return for Sunday possibly into Monday as well.
