

Winter System Moving Out Today

November 12, 2021
7:22 AM

Winter Weather Advisory Until Noon

Key Messages

- Travel impacts will be widespread this morning, but should improve this afternoon.
- Winter Storm warning that was in effect around Lake of the Woods has been replaced by a winter weather advisory as the main snow has ended.
- Winter weather advisory for all areas thru noon today due to lingering snow, reduced visibilities, and strong winds.
