

Skywarn Weather Spotter Training

May 23rd, 2019, 6 pm to 8:30 pm

Crockett Civic Center

May 23rd, 2019, 6 pm to 8:30 pm

The National Weather Service will present on how to identify severe thunderstorms and tornadoes, and how to relay reports to the NWS. Skywarn spotter reports are critical for accurate warnings. The NWS will review recent local tornado events and talk about weather and tornado safety. The training is free and open to the public. For more information contact Roger Dickey, Houston County Emergency Manager, at 936-544-7175.
