

Routine Weather Briefing

October 25, 2024

9:48 AM

Outlook Period: Friday 10/25/24 through Sunday 10/27/24

OVERVIEW:

Atypically warm weather is expected during Saturday. A few showers are possible Saturday night into early Sunday morning as the next cold front moves across the area. Otherwise, drier and much cooler weather is on tap for Sunday.

HAZARDS & IMPACTS

BEACH/SURF: A moderate risk for rip currents will continue Friday for Pender and New Hanover beaches. (See [beach page](#) for more details)
