

National Weather Service

Wilmington, NC

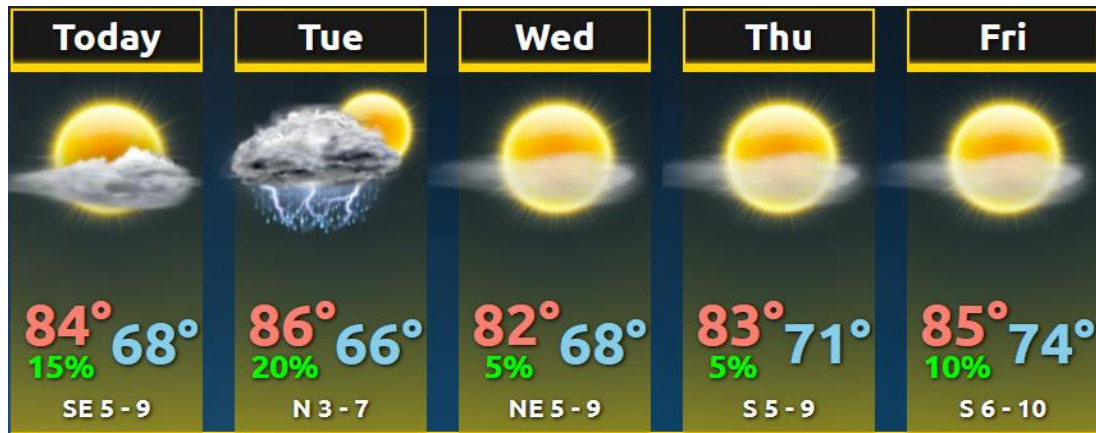

Outlook Period: **Monday, June 26, 2017 – Friday, June 30, 2017**
 Time Issued: **9:35 AM Monday June 26, 2017**

Prepared by: **Rick Neuherz**

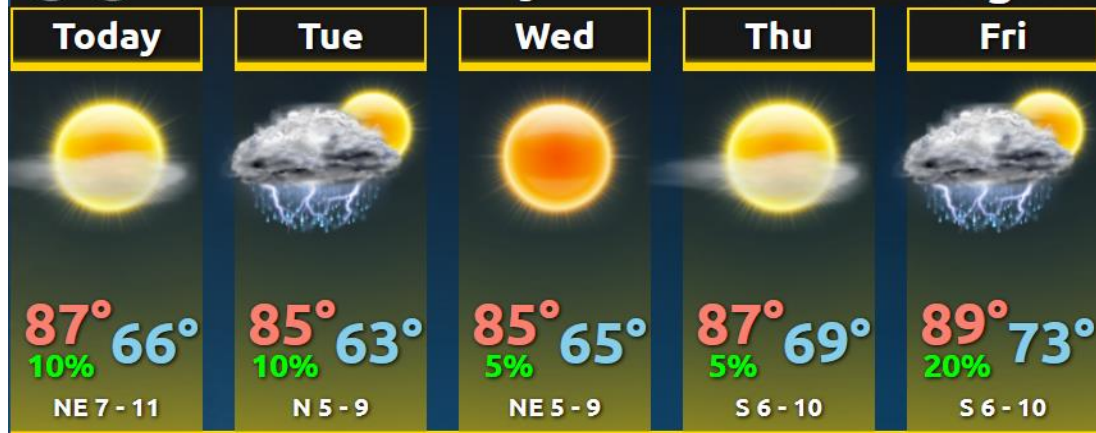

A respite from the rain is expected much of the week with cool morning lows.

Overview: It looks like a fairly quiet week for late June with mainly dry weather and relatively cool mornings expected much of the week. There is a small chance of showers and thunderstorms with a passing upper level disturbance Tuesday. Typical June humidity will return late in the week as will a small chance of showers and thunderstorms.

Impacts: Expect typical threats that come along with thunderstorms Tuesday and Friday, such as gusty winds, locally heavy rain, and lightning.
