

# Thanksgiving Day Weather History for Springfield

While **Thanksgiving** had been celebrated unofficially in the United States for many years, it was on October 3, 1863 that President Abraham Lincoln officially declared the last Thursday of November as Thanksgiving Day. In 1941, Congress moved the date to the fourth Thursday of November (effective in 1942), in part to clear confusion caused by a Proclamation issued by President Franklin D. Roosevelt.

The statistics compiled on this page use the last Thursday of November through 1941, and the fourth Thursday from 1942 to present. These were measured in downtown Springfield from 1879 to 1947, and at Abraham Lincoln Capital Airport from 1948 to the present.

**Thanksgiving 2024 is on November 28<sup>th</sup>.**
