

National Flood Insurance Program Community Rating System

Pam Mattingly, CFM
Assistant Director
Calcasieu Parish Police Jury
Division of Planning & Development

What is CRS???

- ▶ A program designed to discount flood insurance through community participation.

**Nothing is for free!!!
How much does it cost???**

Outreach Activities

Equipment

Personnel

20 Activities available in CRS

610 – Flood
Warning

Up to 255
Points

Planning Office prepares information
but we coordinate this activity with
our local Office of Emergency
Preparedness.

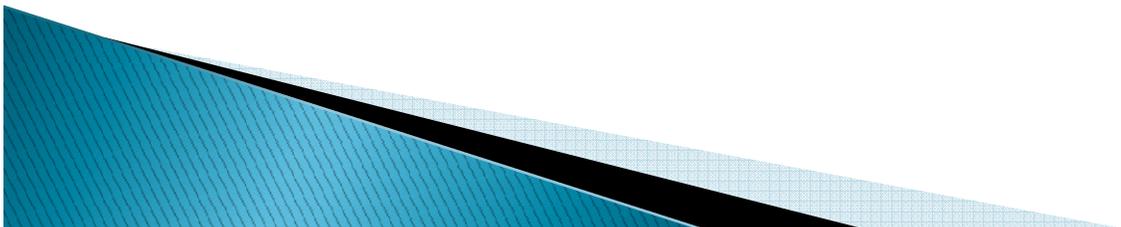

Minimum Requirement

Flood threat recognition system

- Locally collected data or data from National Weather Service.

Additional Credit – Flood Warning Program

- Emergency Operation Plan

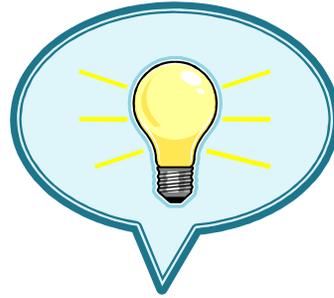

What's the Advantage of Participating????

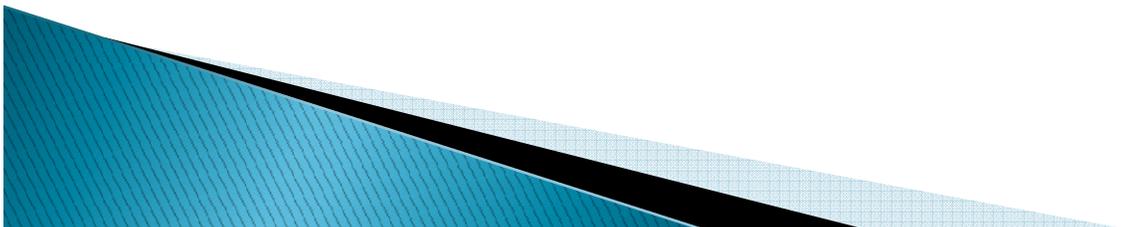

In 2008 there was a savings of \$300,000 on \$1 billion of coverage; with 6,014 policy holders.

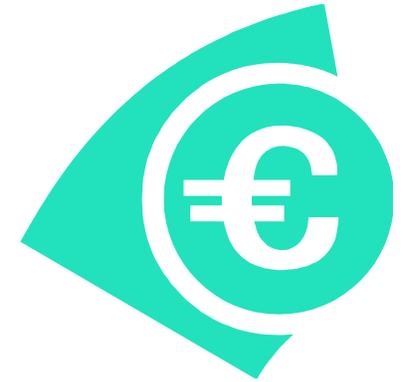

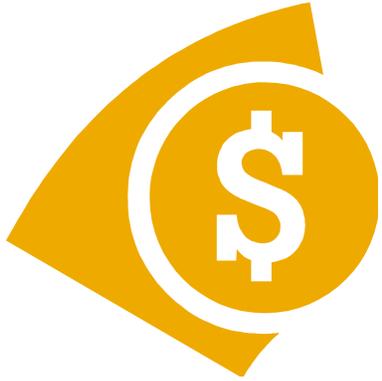

We Want a **BETTER** Classification

A drainage study is taking place and the result is showing we should install automatic rain gauges along the waterways

How Much Can We Save???

\$450,000 of Savings!!!!!!!

- ▶ Next lower classification
– Classification 7 at
15%.
