SEVERE WEATHER CHECKLIST

- Do you have a reliable way to receive severe weather warnings?
- Do you know what to do if a warning is issued if your *at home? At work? In a store?*
- Do you have an emergency kit ready in case you need to take shelter?
- Have you talked with your children or parents about severe weather safety?
- Do you have a plan for your pets?

If you can answer all of these questions, then you're prepared for severe weather.

If not, there is still time to prepare for the season ahead.
