- The c next to some of the reports denotes NWS Cooperative Observer sites
- All other reports- official NWS reports, CoCoRaHS reports or from Chicago Area Snow Team
- Blizzard Total is a compilation of snowfall observations from 2/2 and 2/3 for COOP, CoCoRaHS, and CAST reports. For the official sites, 6 hour snowfall accumulations were added, starting with 12pm-6pm on 2/1 and ending with 6am-12pm on 2/2
- 3-day totals include the light snow event from late on 1/31 into early 2/1, adding 2/1 , 2/2 and 2/3 reports from volunteer observers. Official sites include snow from 6pm-12am 1/31 through 6am-12pm on 2/2.
