

THIRD BIENNIAL EMERGENCY MANAGEMENT / MEDIA / NATIONAL WEATHER SERVICE CONFERENCE

October 16-17, 2014

Held at:

Fairfax County PSTOC;
Fairfax, VA

Address:

Public Safety Transportation
Operations Center
4890 Alliance Drive
Fairfax, Virginia 22030

Contact :

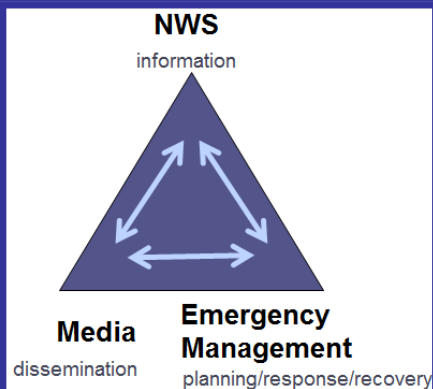

Chris Strong
Warning Coordination
Meteorologist
christopher.strong@noaa.gov

An opportunity to learn more about all aspects of hazardous weather in our region, and participate in vital discussions with all the players in the public weather warning process - those who warn, those who disseminate the warnings to the public, and those who plan for & respond to warnings.

Highlights

- Educational presentations on all forms of hazardous weather
- The latest technology used to forecast & warn
- Panel discussion with members of the NWS, EM, & Media
- 3 Perspectives - Severe Weather Day: NWS, EM, & Media
- Breakout Session for media-centric and EM-centric discussions
- **Working together to lessen the impact of weather on society!**
