

East Central Florida SKYWARN Training National Weather Service Melbourne, FL

*Serving Brevard, Indian River, Lake, Martin, St. Lucie,
Seminole, Okeechobee, Orange, Osceola and Volusia Counties.*

The following schedule reflects the dates, times and locations of upcoming SKYWARN spotter classes and other hazardous weather presentations. This schedule will be modified regularly as new talks are added. Most of the talks are open to the public and all interested parties are encouraged to attend (any exceptions will be noted below). The presentations generally last two hours in length and are free. Please pre-register via the link(s) below if you would like to attend. Weather Spotter registration will be completed at the class. A National Weather Service meteorologist will discuss various aspects of severe weather, storm spotting, and severe weather safety. At least one SKYWARN spotter class is taught within each county every year - with two or more classes typically conducted within most counties. Please direct any questions about SKYWARN training classes and other hazardous weather presentations within [east central Florida](#) to scott.spratt@noaa.gov

Schedule updated October 21, 2020

Date 2020	City (County)	Class Time	Class Type	Location Additional Details
Tuesday November 10	Virtual (online class)	10am-noon	Basic	To register: https://forms.gle/ASxi8gyZehvUP5UJA Must be an east-central Florida resident to register
Tuesday November 10	Virtual (online class)	100-300 pm	Advanced	To register: https://forms.gle/ASxi8gyZehvUP5UJA Must be an east-central Florida resident to register
Saturday December 5	Virtual (online class)	10am-noon	Basic	To register: https://forms.gle/ASxi8gyZehvUP5UJA Must be an east-central Florida resident to register
Monday December 14	Virtual (online class)	10am-noon	Basic	To register: https://forms.gle/ASxi8gyZehvUP5UJA Must be an east-central Florida resident to register
Monday December 14	Virtual (online class)	100-300 pm	Advanced	To register: https://forms.gle/ASxi8gyZehvUP5UJA Must be an east-central Florida resident to register

Those that participate in a virtual class will become official SKYWARN spotters for NWS Melbourne and will be provided a SKYWARN ID card/number.

See below for outreach events (i.e. safety expo's, etc.).

Several times each year, opportunities exist for presentations on other weather topics, including **Florida Weather Hazards, Fire Weather, Lightning, Marine Weather, and Hurricanes**. NWS staff members also participate in many annual **safety/education expos/fairs**, often partnering with local government agencies. These talks and expos/fairs are open to the public. Please direct any questions concerning these events (or requests for NWS participation) to scott.spratt@noaa.gov
