

VOLUNTEER OPPORTUNITY

National Weather Service
Chanhassen, MN

We Anticipate that the 2022 Program will be conducted in our office, but may be moved to remotely via the Internet depending on COVID-19 restrictions

Opportunities available for students majoring in the following areas:

Meteorology

Hydrology and Civil Engineering

Graphic Design

GIS and Information Technology

Natural Resources

Students must have completed their sophomore year of college coursework by June of this year. Applicants must be available to work at least 8 hours a week during the summer.

Students interested in applying for the student volunteer program must provide a college transcript, a letter of recommendation from a professor in their field of study, a resume, and a cover letter describing why they would like to volunteer at the National Weather Service. **Applications are due by April 1, 2022.**

Questions and all application materials should be directed to:
