Subject: Notifying of Users of the Opportunity to Submit Comments on the
Proposed Termination of U.S. Coast Guard Medium Frequency Broadcast of
NAVTEX and Shift to Satellite through November 12, 2019

The NWS is notifying users of the opportunity to submit comments through
November 12, 2019, on the U.S. Coast Guard (USCG) proposal to terminate
medium frequency broadcasts of Navigation Telex (NAVTEX) and provide the
same information over satellite. The Federal Register Notice, released
by the USCG, can be found at the link below:

<https://www.federalregister.gov/documents/2019/09/11/2019-19675/proposed-termination-of-us-coast-guard-medium-frequency-mf-broadcast-of-navigational-telex-navtex>

Please respond to this Notice if this change would impact you. The
Federal Register Notice will be posted for 60 days.
