Subject: Changes to Fire Weather Forecast Zones for WFO Elko, NV, and WFO
Reno, NV: Effective March 3, 2020

On or about Tuesday, March 3, 2020, at 1000 AM Pacific Standard Time (PST), 1800 Coordinated Universal Time (UTC), the NWS Weather Forecast Offices in Elko, NV, (LKN) and Reno, NV, (REV) will reconfigure and rename many of the fire weather forecast zones in their county warning areas. After this change, all fire weather forecasts and related products for LKN and REV will use the zone number and names shown below.

If March 3, 2020, is declared a Critical Weather Day, this implementation will be postponed to March 10, 2020.

WFO LKN and WFO REV, in conjunction with its fire partners, have redrawn the zone boundaries to better reflect the climatology, weather differences, and administrative needs of the area.

The new zones are as follows:

WFO LKN Fire Weather Forecast Zones:

New Zone Code: New Zone Name

NVZ424: Southeastern Humboldt County and northern Lander County

This zone includes southeastern Humboldt County containing areas along the Interstate 80 corridor and the northern and west-central portions of Lander County.

NVZ425: White Pine and Northeast Nye Counties

This zone includes all of White Pine County and portions of northeastern Nye County.

NVZ426: Northern Nye County, Mojave

This zone includes the lower elevation portions of northern Nye County south of the Humboldt-Toiyabe mountain ranges.

NVZ427: Central Nevada, Toiyabe

This zone includes portions of central and southern Lander and Eureka counties into Northern Nye County. This area includes the Southern Humboldt-Toiyabe Ranges and associated valleys.

NVZ437: Humboldt County, Quinn

This zone includes many of the higher mountains of northern Humboldt county north of Interstate 80 including the Black Rock, Pine Forest, Jackson and Santa Rosa ranges as well as the northern portion of the Black Rock Desert and Paradise Valley east of the Santa Rosa range.

NVZ438: Western Elko County, northern Eureka and Lander Counties north of Interstate 80

This zone includes the Owyhee Desert area of western Elko County west of the Independence and Bull Run Mountains as well as far northern Eureka and Lander counties north of Interstate 80.
